Description générale

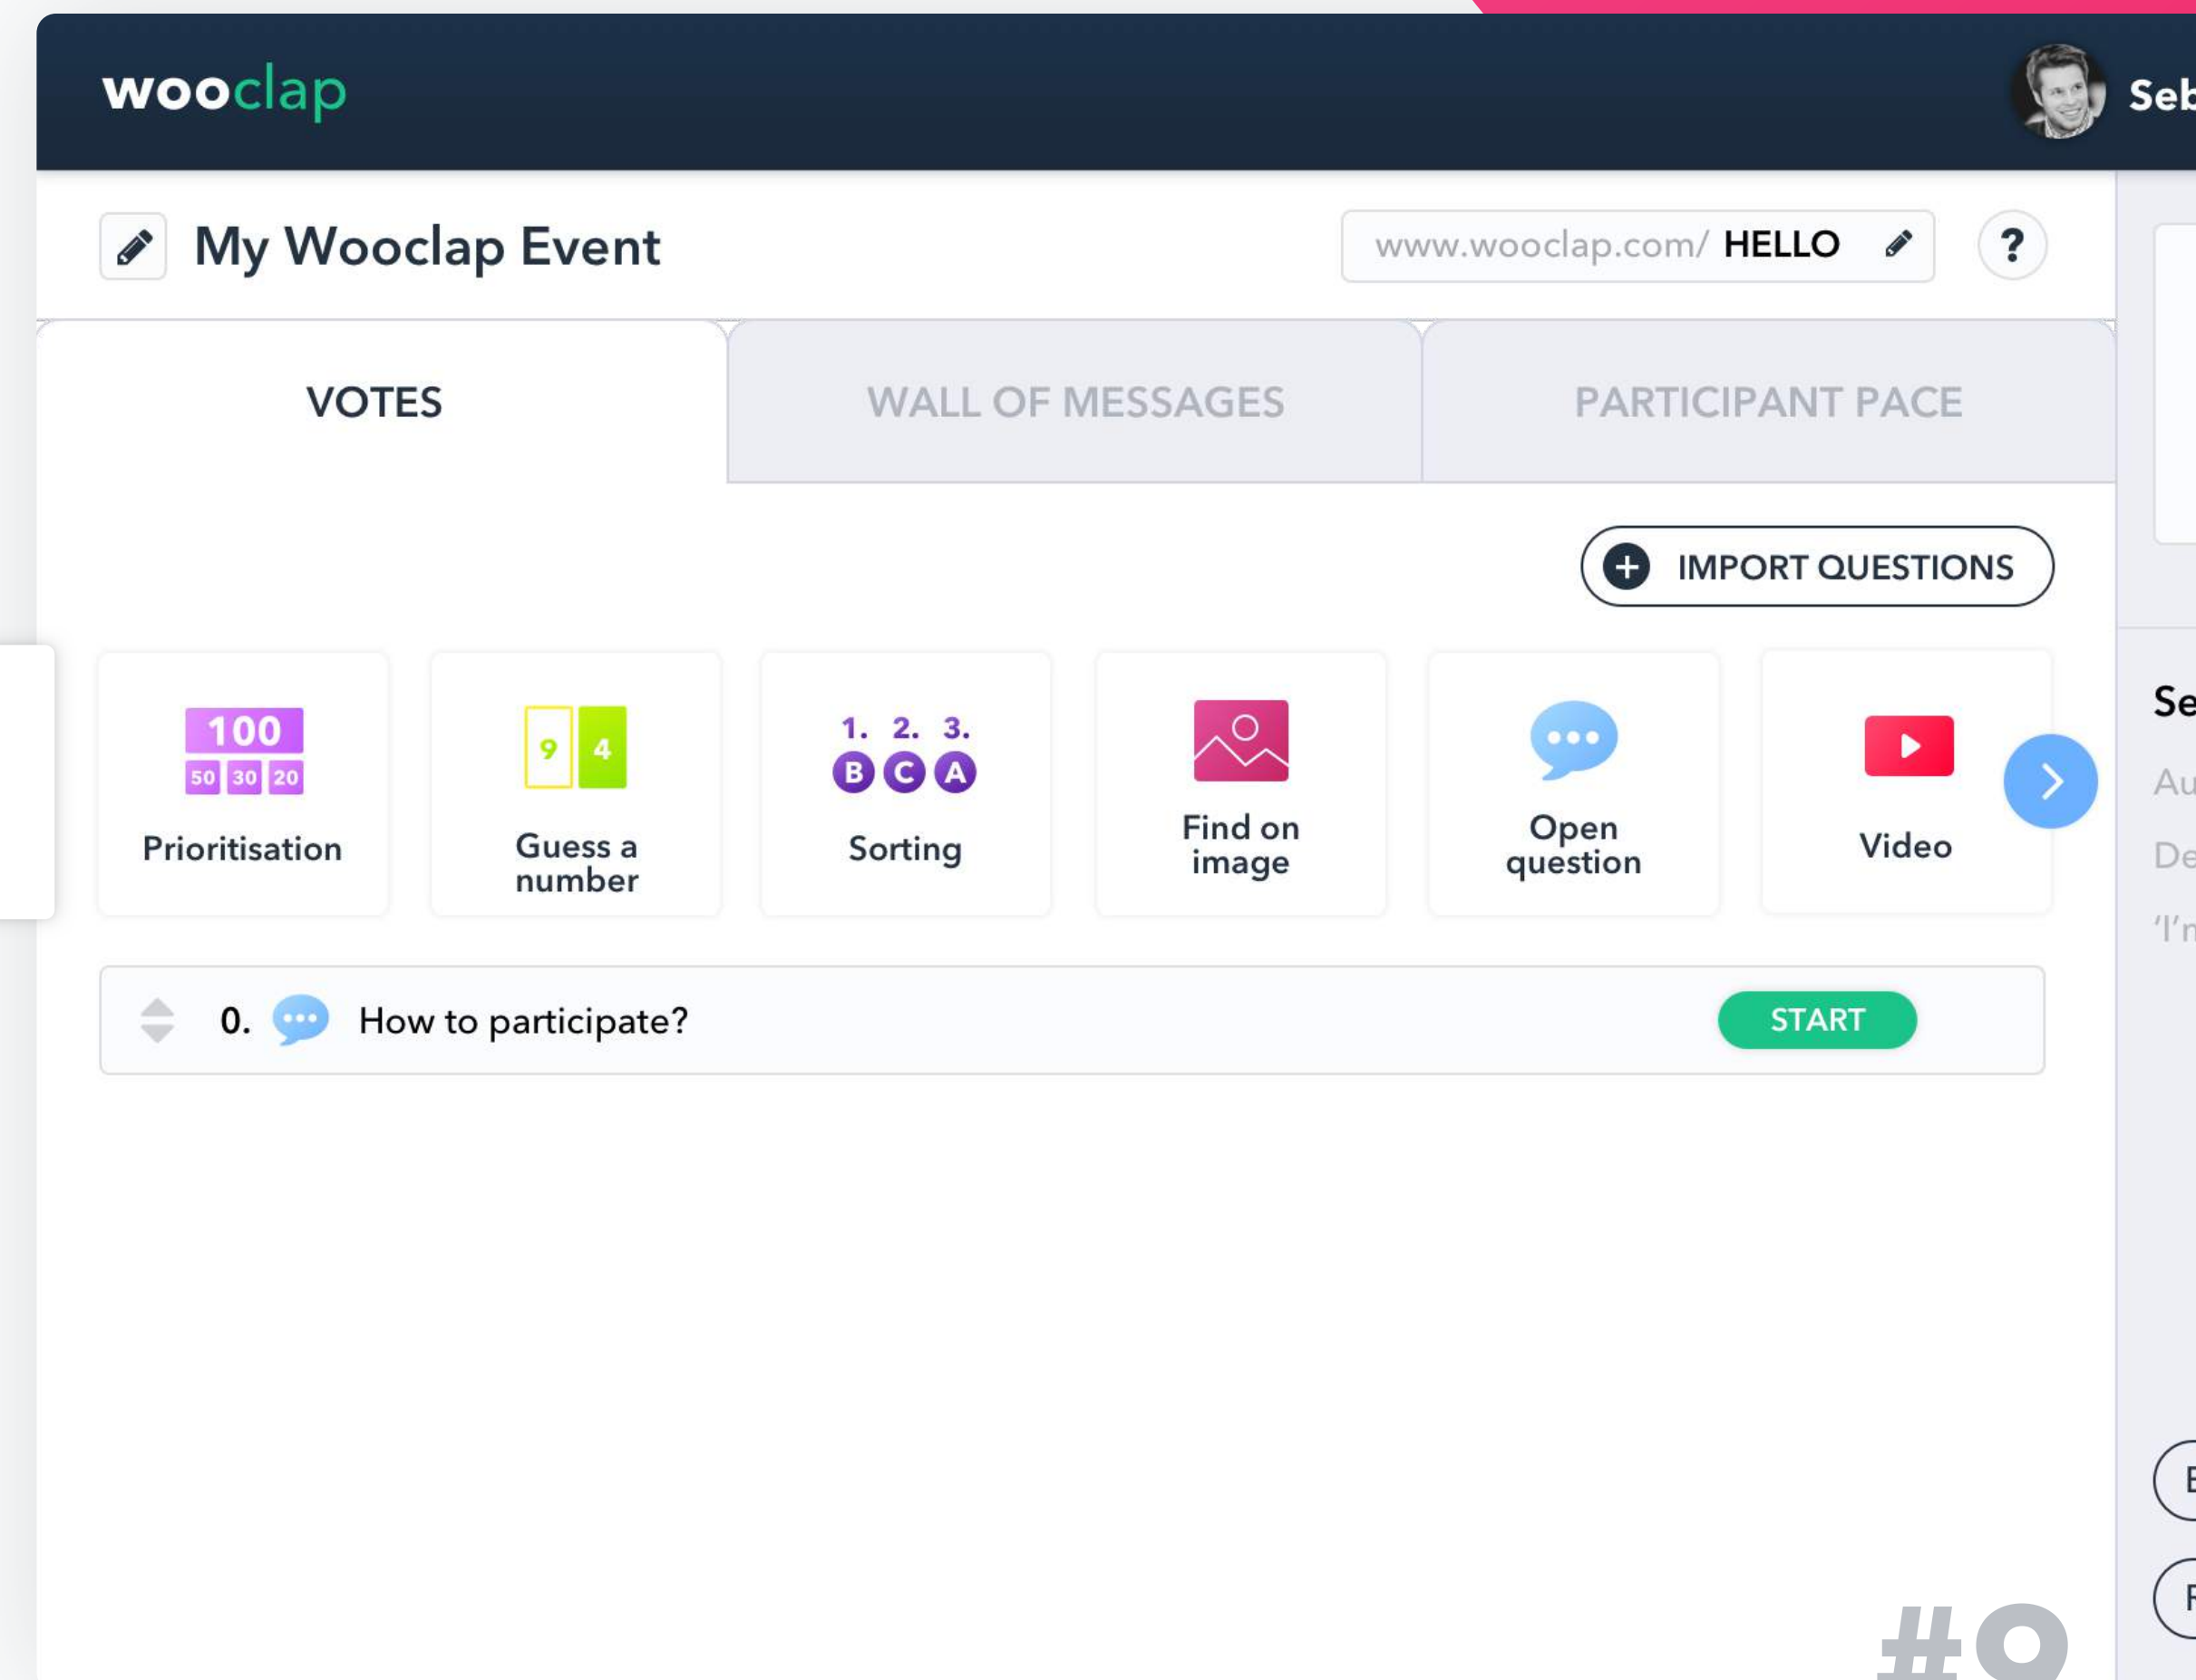

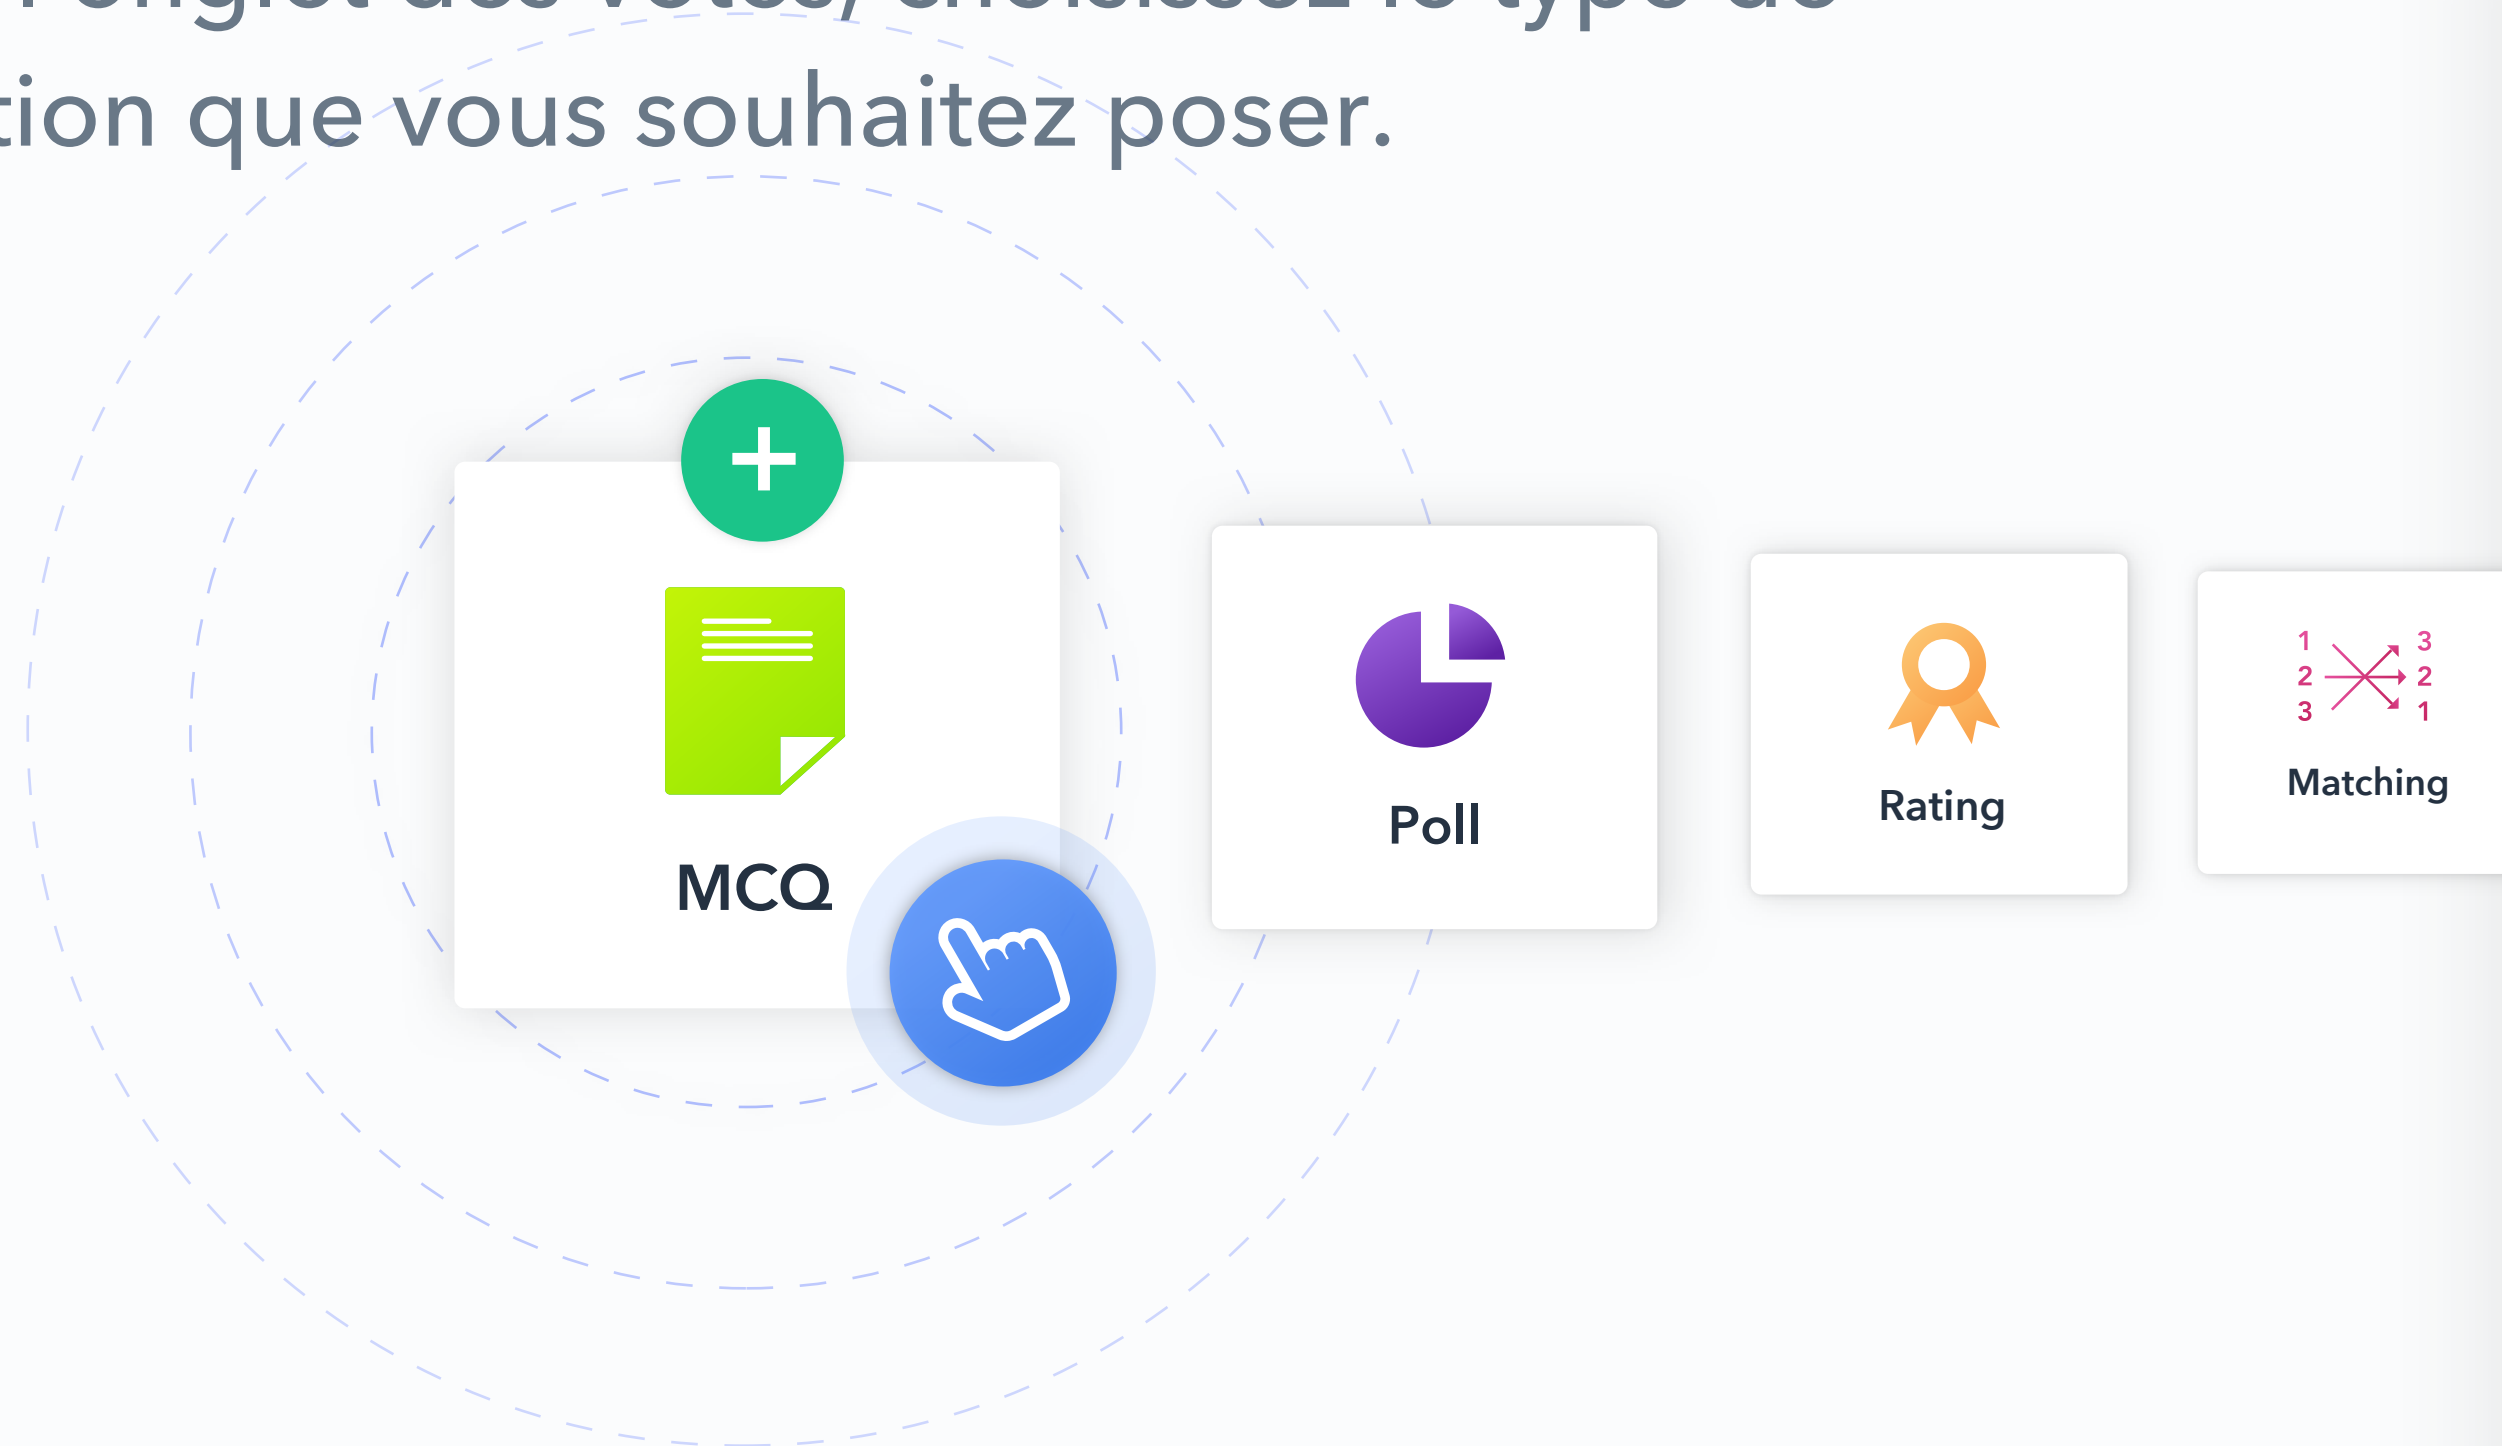

■ 1.1

Votes : interactions en temps réel

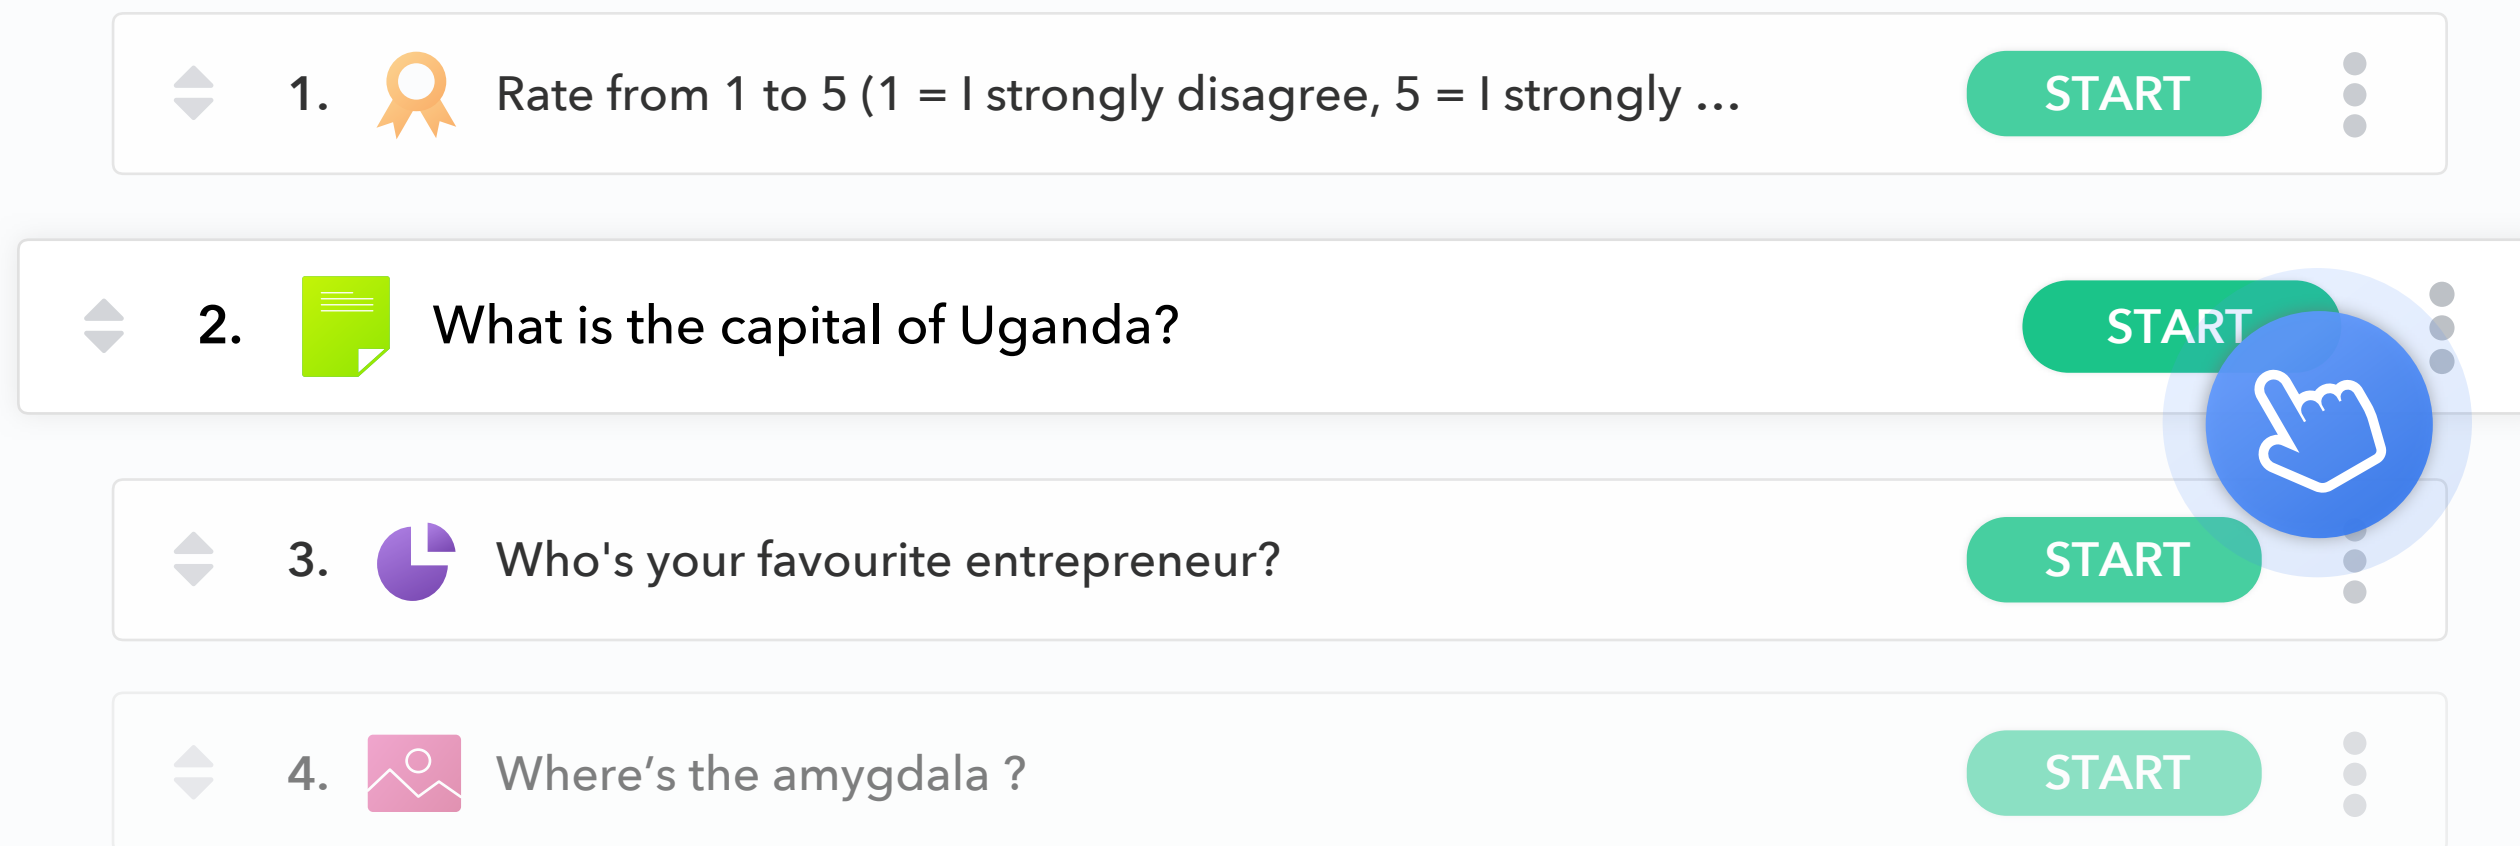

Étape 1

Dans l'onglet des votes, choisissez le type de question que vous souhaitez poser.

Étape 2

Créez votre question, enregistrez-la et cliquez sur **lancer** pour afficher la question à l'écran.

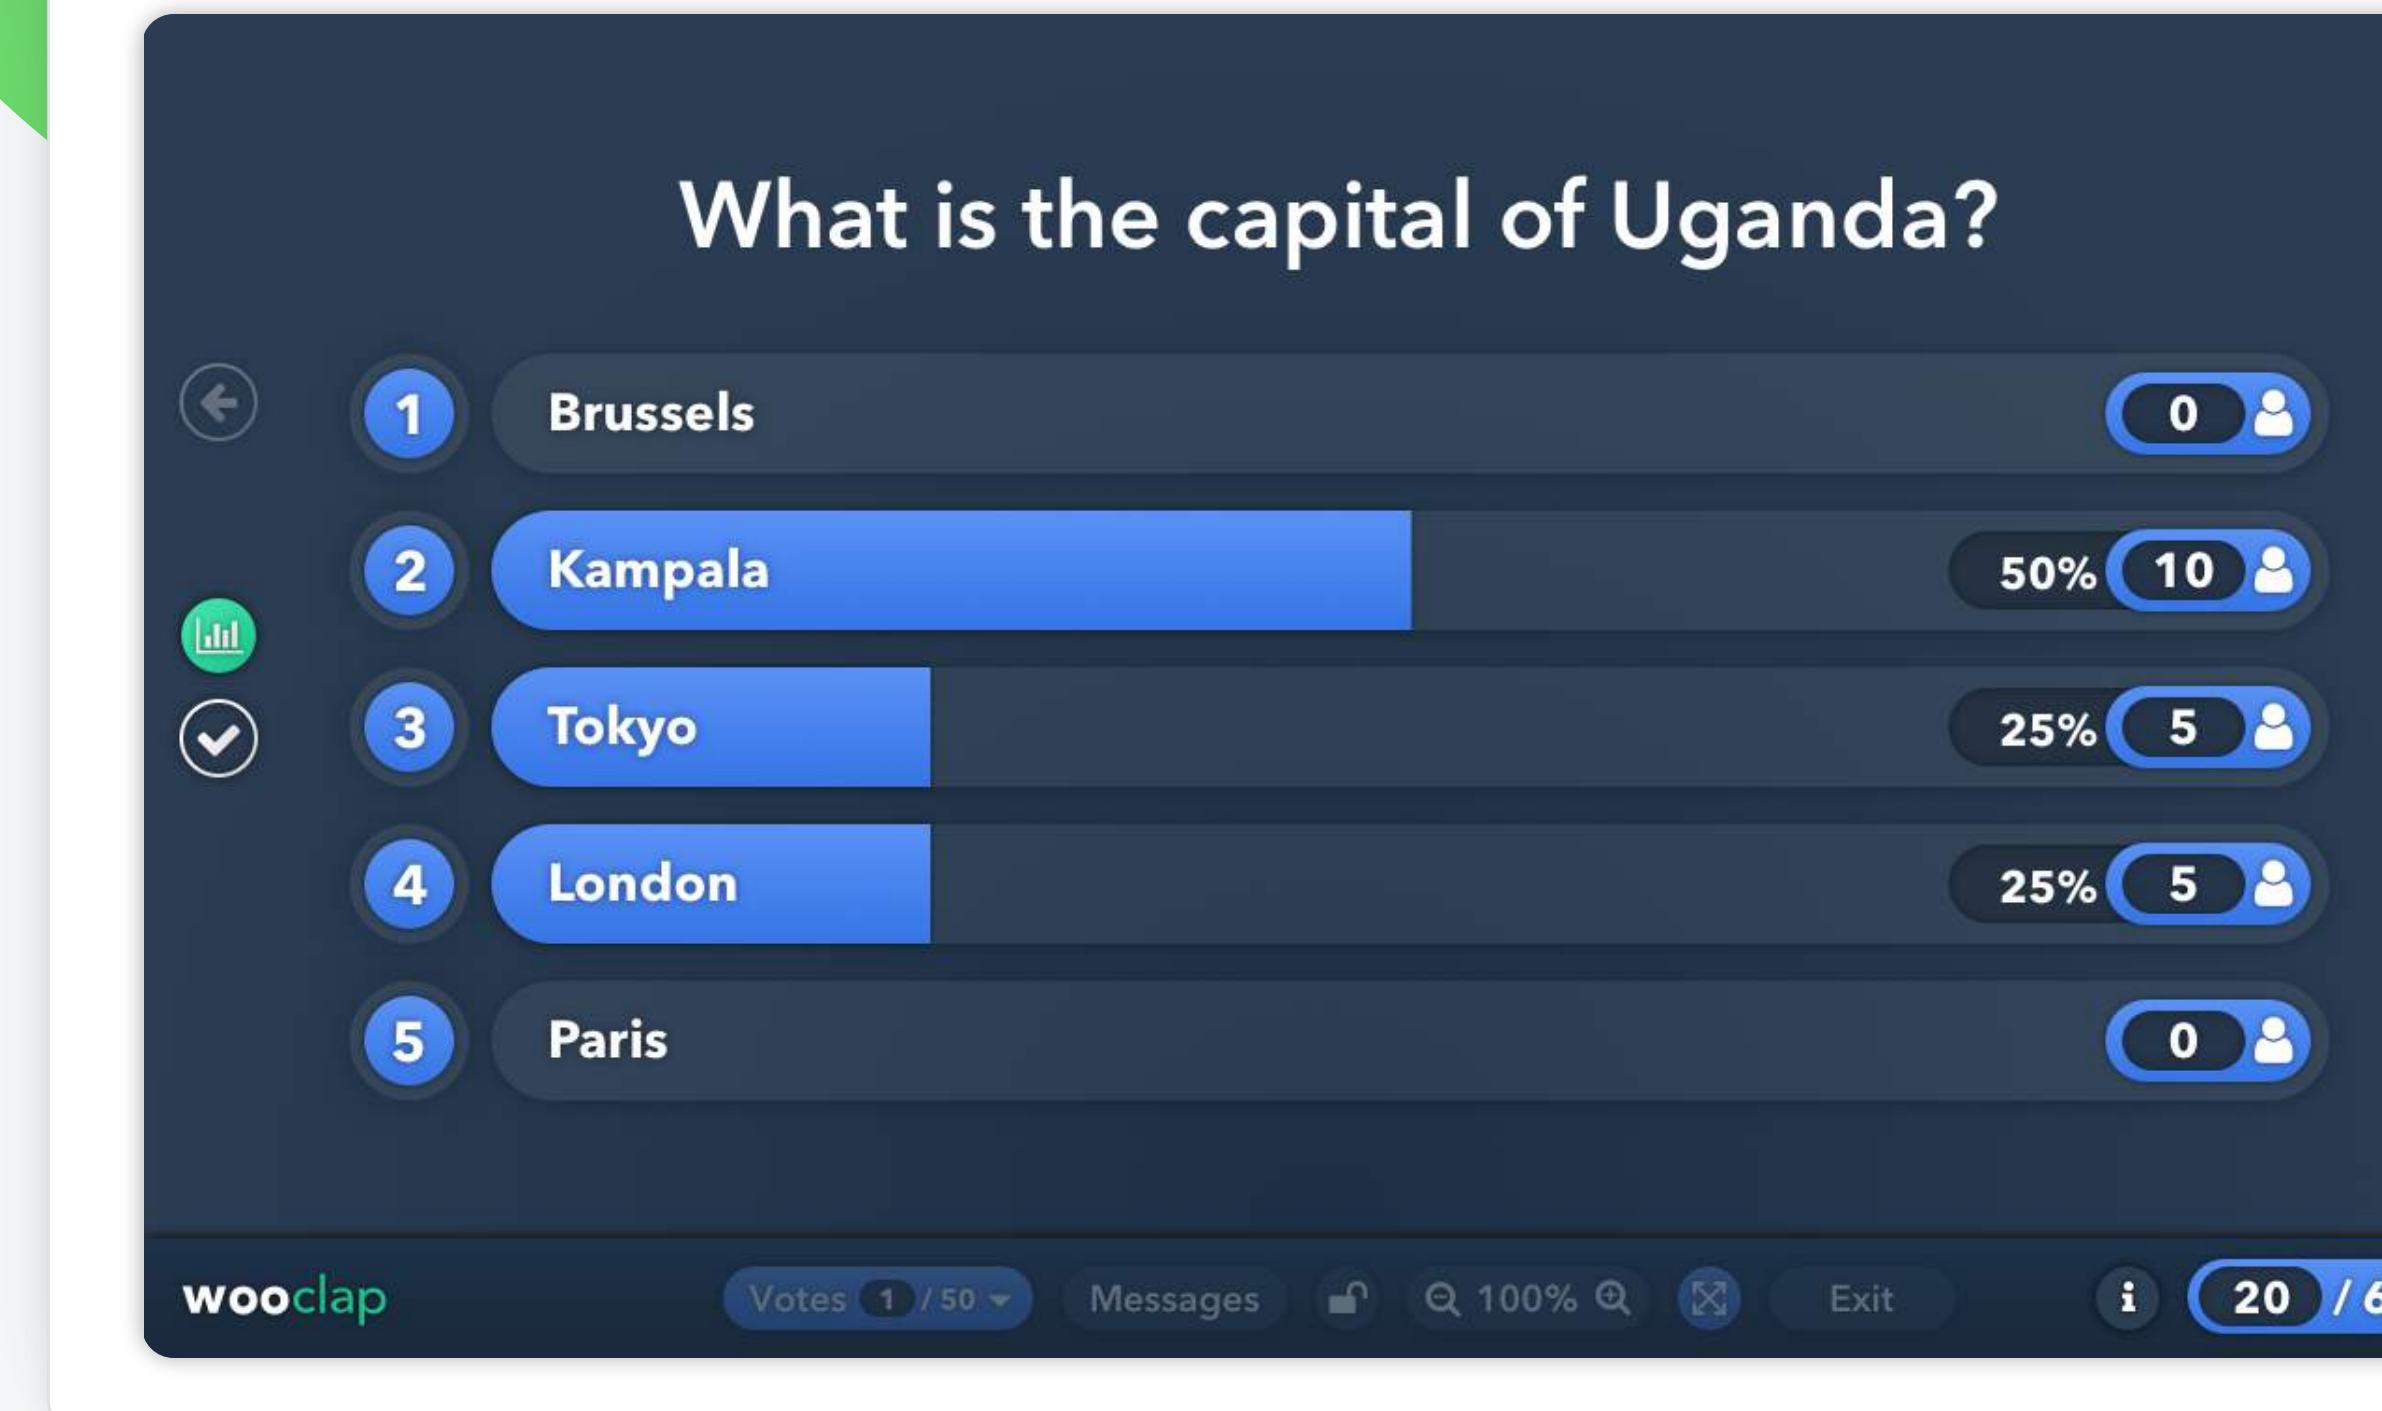

1.  Rate from 1 to 5 (1 = I strongly disagree, 5 = I strongly ... **START**

2.  What is the capital of Uganda? **START**

3.  Who's your favourite entrepreneur? **START**

4.  Where's the amygdala ? **START**

What is the capital of Uganda?

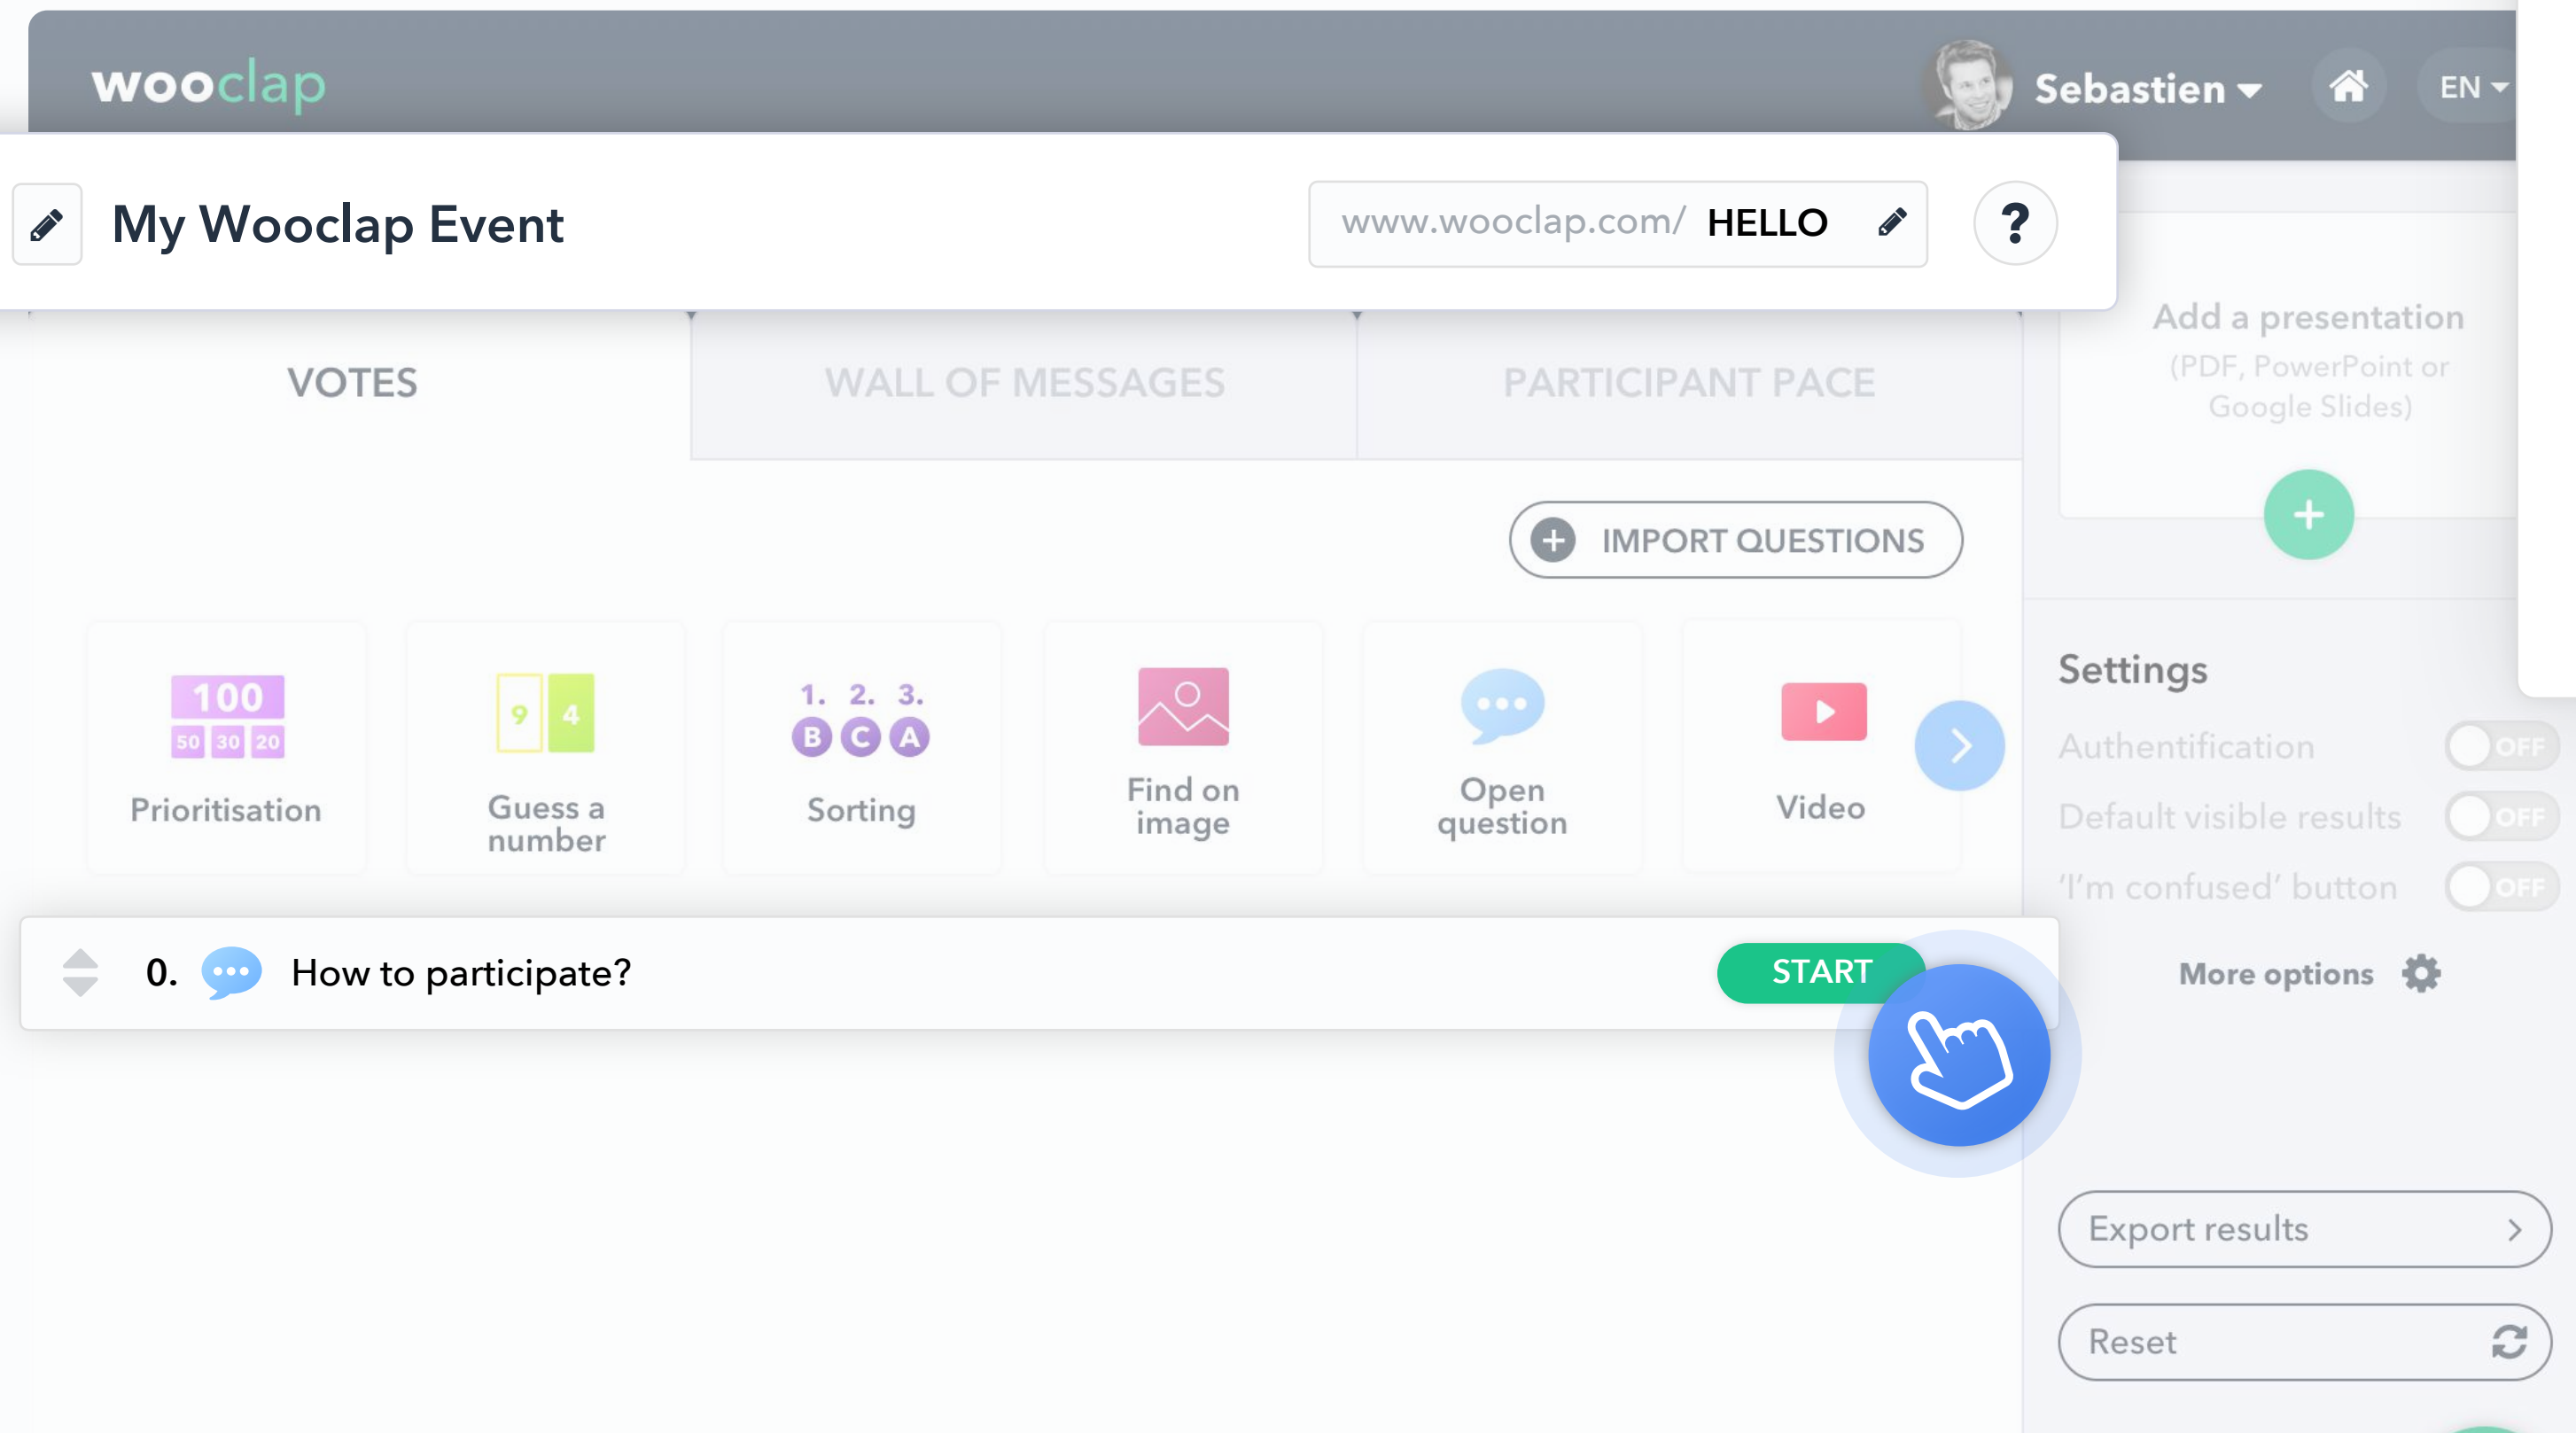

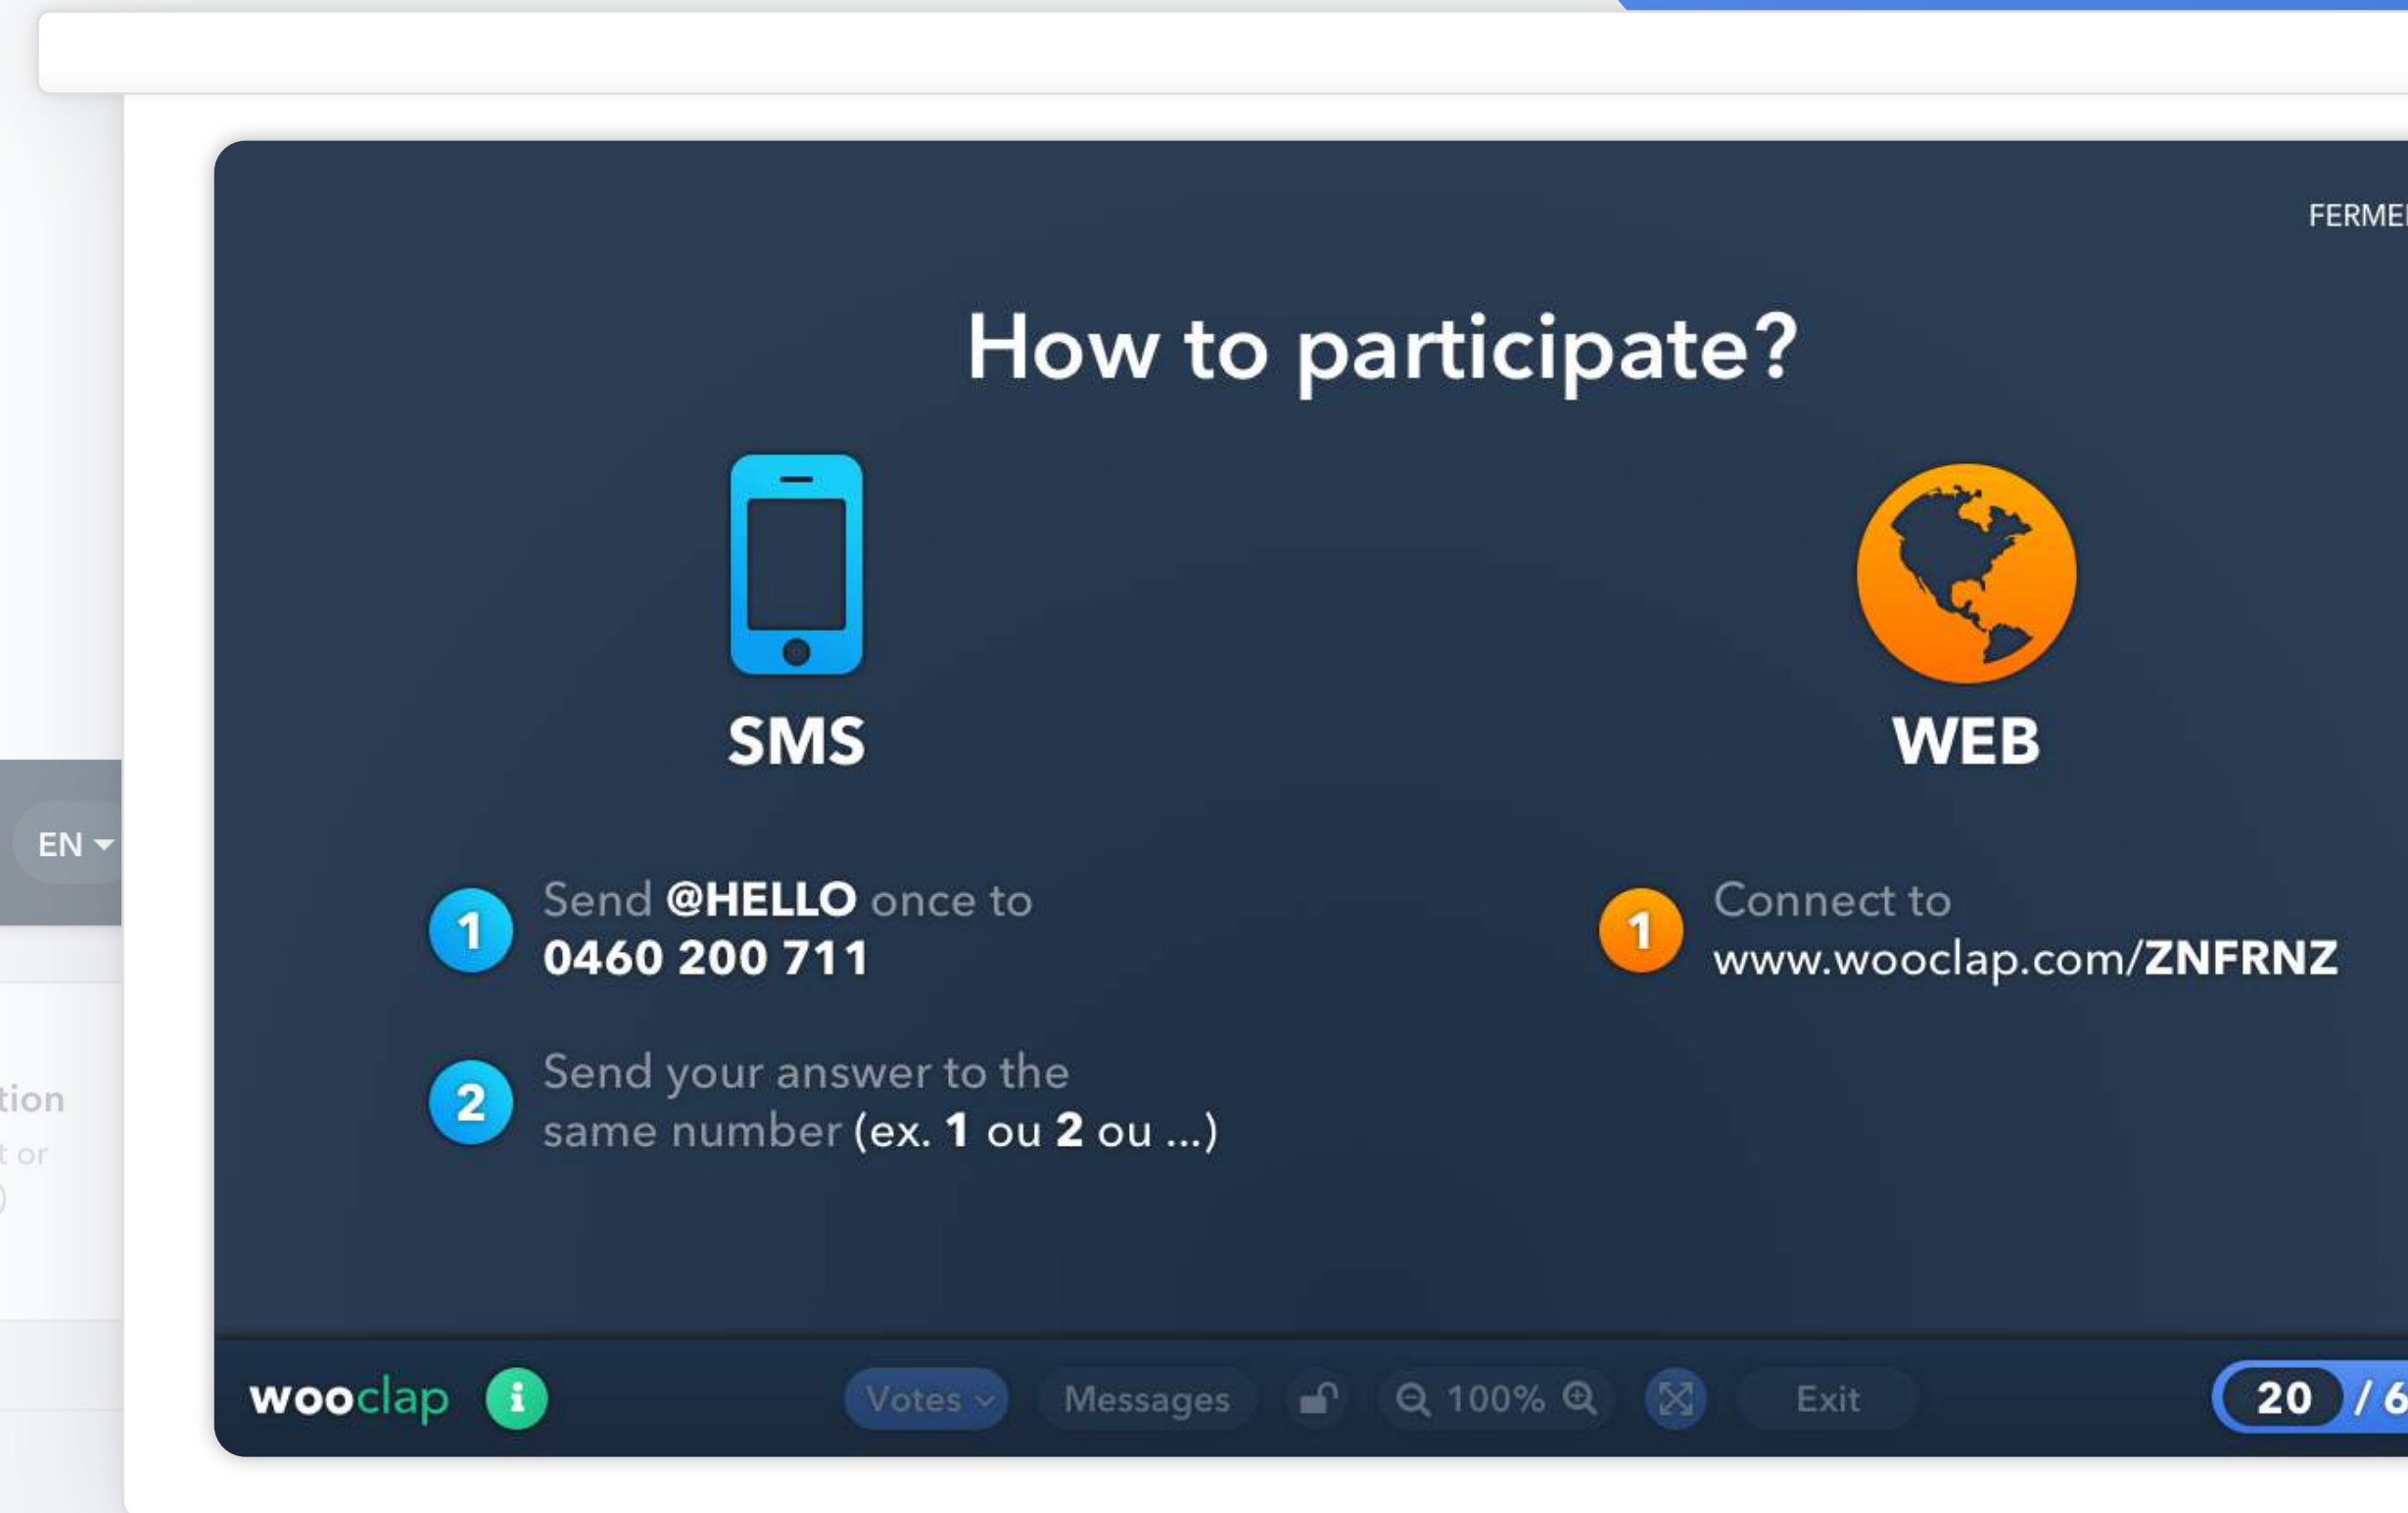

Rank	Option	Percentage	Votes
1	Brussels	0%	0
2	Kampala	50%	10
3	Tokyo	25%	5
4	London	25%	5
5	Paris	0%	0

wooclap | Votes 1 / 50 | Messages | 100% | Exit | 20 / 6

Veillez noter que les participants ne pourront répondre qu'à la question que vous affichez. Si vous préférez réaliser une série de questions auxquelles vos participants peuvent répondre à leur propre rythme, utilisez l'onglet «au rythme du participant».

Étape 3

Personnalisez le code de votre événement et invitez votre audience à répondre à la question en se connectant, soit par **SMS (messagerie texte)**, soit via **l'URL affichée à l'écran**. Faites-le en commençant par la question "0. Comment participer ?".

Étape 4

Affichez les résultats sur l'écran en temps réel.

What is the capital of Uganda?

Rank	Option	Percentage	Votes
1	Brussels	0%	0
2	Kampala	50%	10
3	Tokyo	25%	5
4	London	25%	5
5	Paris	0%	0

■ 1.2

Mur de messages

Activez le mur ①

Activez le mur de messages pour permettre à votre audience d'envoyer des messages ou de poser des questions.

Affichez le mur ②

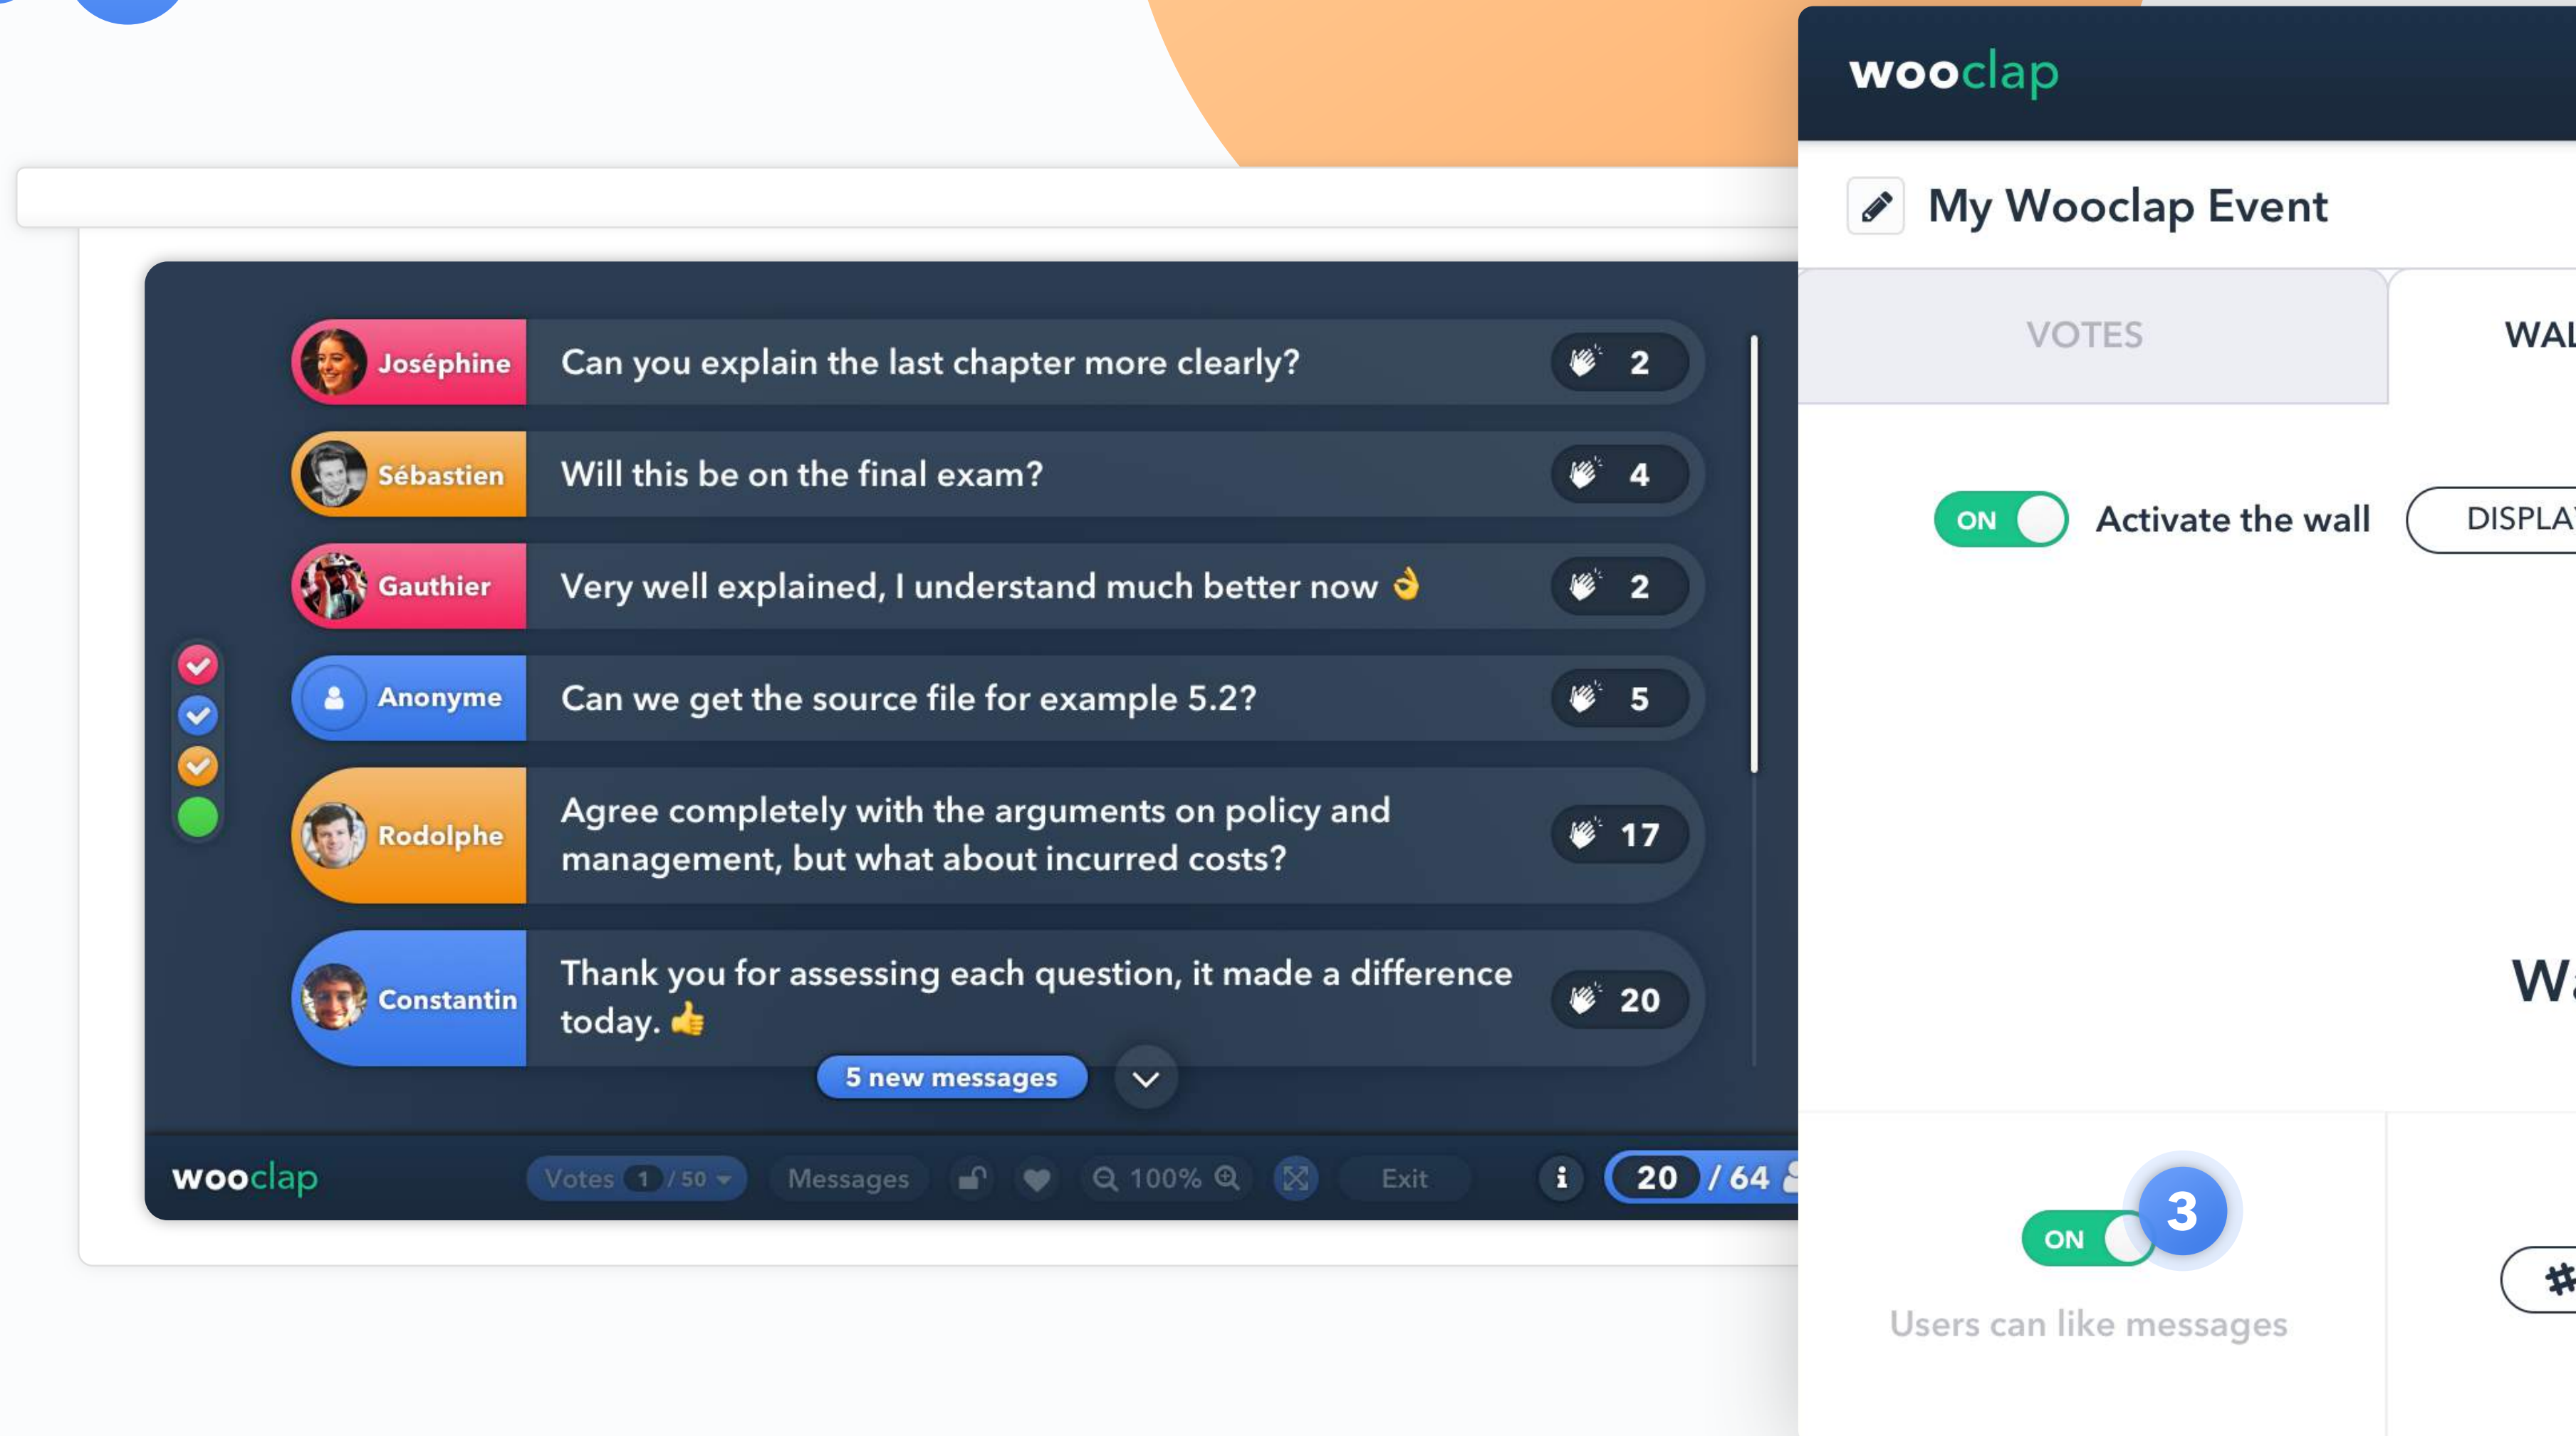

Pour afficher les messages à l'écran, cliquez sur **Afficher**.

The screenshot shows the 'Wooclap' event management interface. At the top, the 'wooclap' logo is on the left, and a user profile 'Sebastien' is on the right. Below the header, the event title 'My Wooclap Event' is displayed, along with a URL 'www.wooclap.com/ HELLO' and a help icon. The interface is divided into three tabs: 'VOTES', 'WALL OF MESSAGES', and 'PARTICIPANT PACE'. The 'WALL OF MESSAGES' tab is active. Under this tab, there is a toggle switch labeled 'ON' with a blue circle '1' next to it, and the text 'Activate the wall'. To the right of the toggle are three buttons: 'DISPLAY' (with a blue circle '2' next to it), 'RESET', and 'EXPORT MESSAGES'. Below these buttons, the section 'Wall settings' is visible. It contains a toggle switch labeled 'ON' with the text 'Users can like messages' below it. To the right of this toggle are two buttons: '# ADD TO SLACK' and 'TWITTER'. On the far right, a 'Settings' sidebar is partially visible, showing options like 'Add a p...', '(PDF, P...', 'Goog...', 'Authenticati...', 'Default visibl...', 'I'm confused...', 'More c...', 'Export resu...', and 'Reset'.

Autoriser les likes 3

Vous pouvez permettre à vos étudiants de voir et d'aimer les questions de leurs camarades et ce, depuis leurs appareils.

Vous pouvez choisir de les trier par popularité en cliquant sur  dans la barre de navigation.

The screenshot displays the WooClap interface. On the left, a list of questions is shown with user avatars and names: Joséphine, Sébastien, Gauthier, Anonyme, Rodolphe, and Constantin. Each question has a 'likes' count (2, 4, 2, 5, 17, 20) and a thumbs-up icon. A navigation bar at the bottom of the list shows '5 new messages' and a heart icon. On the right, the 'My WooClap Event' settings panel is visible, featuring a toggle for 'Activate the wall' (ON) and a toggle for 'Users can like messages' (ON) with a blue circle containing the number '3' next to it. The bottom status bar shows 'Votes 1 / 50', 'Messages', '100%' zoom, and '20 / 64'.

■ 1.3

Questionnaire : au rythme du participant

Étape 1

Créez une série de questions auxquelles les étudiants peuvent répondre à leur propre rythme. Par exemple, 15 questions auxquelles vos étudiants devront répondre avant ou après le cours.

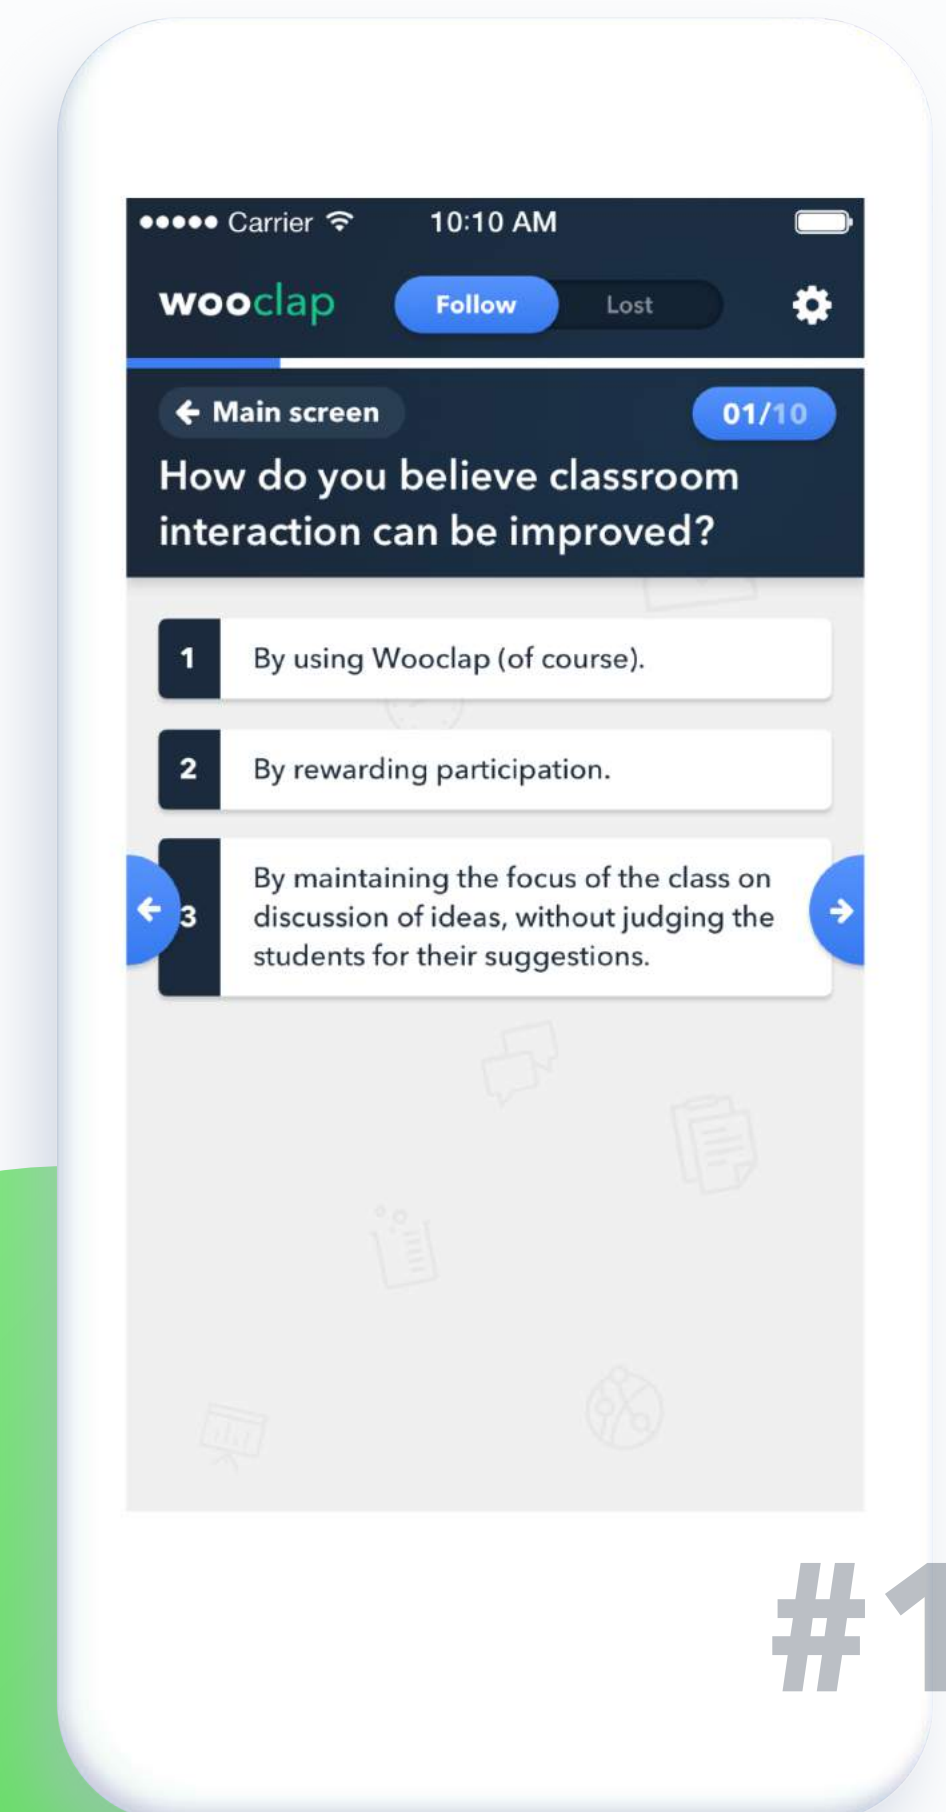

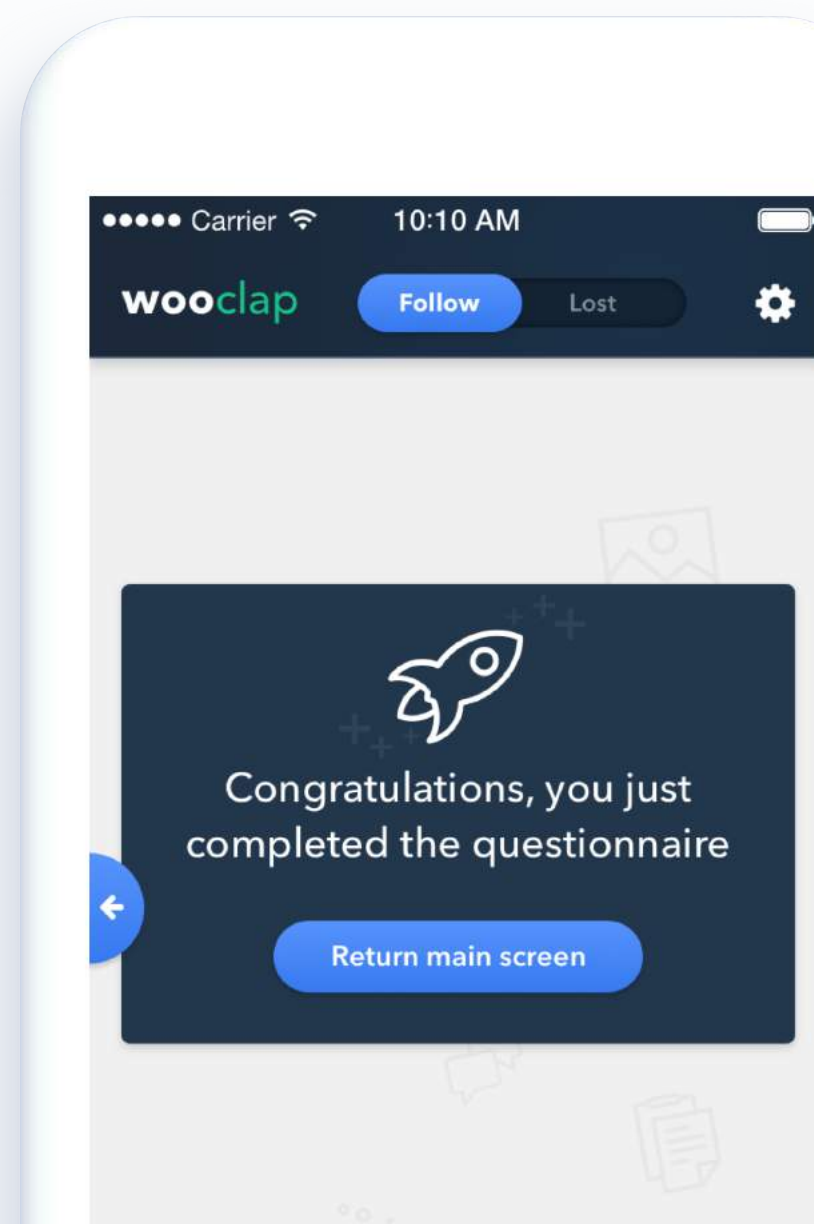

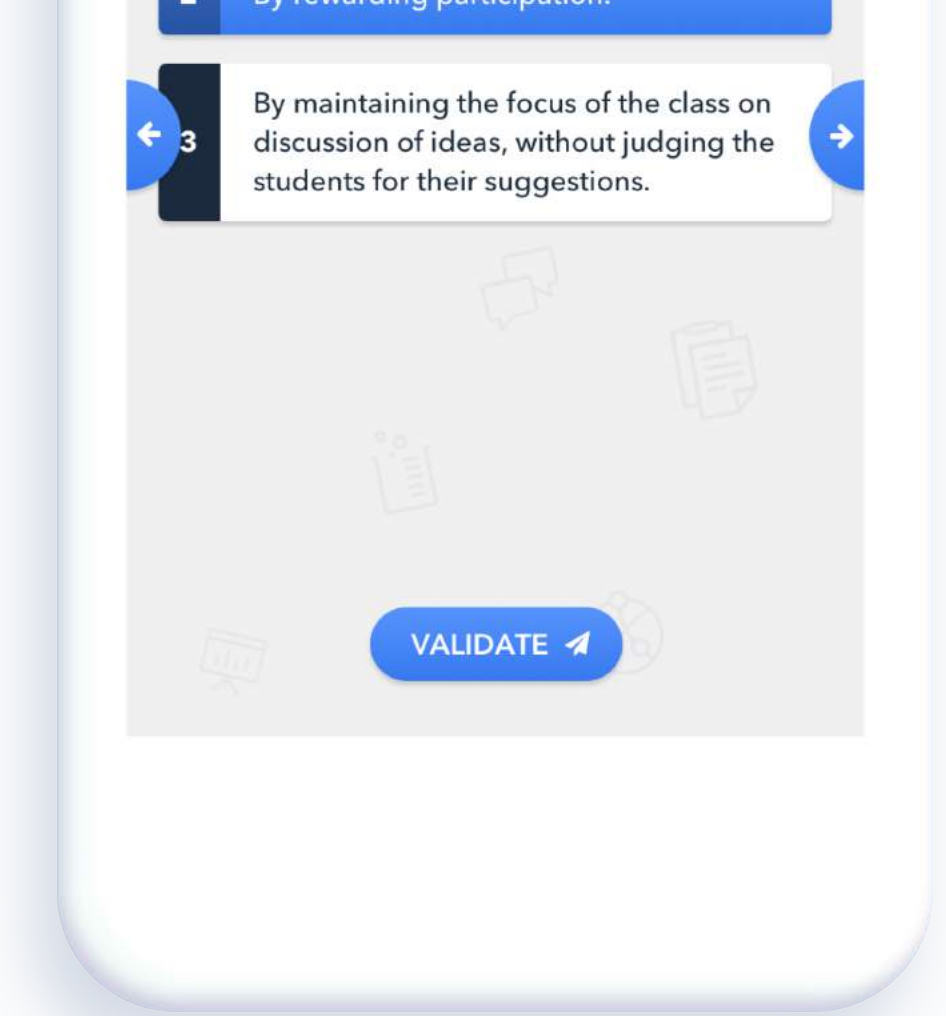

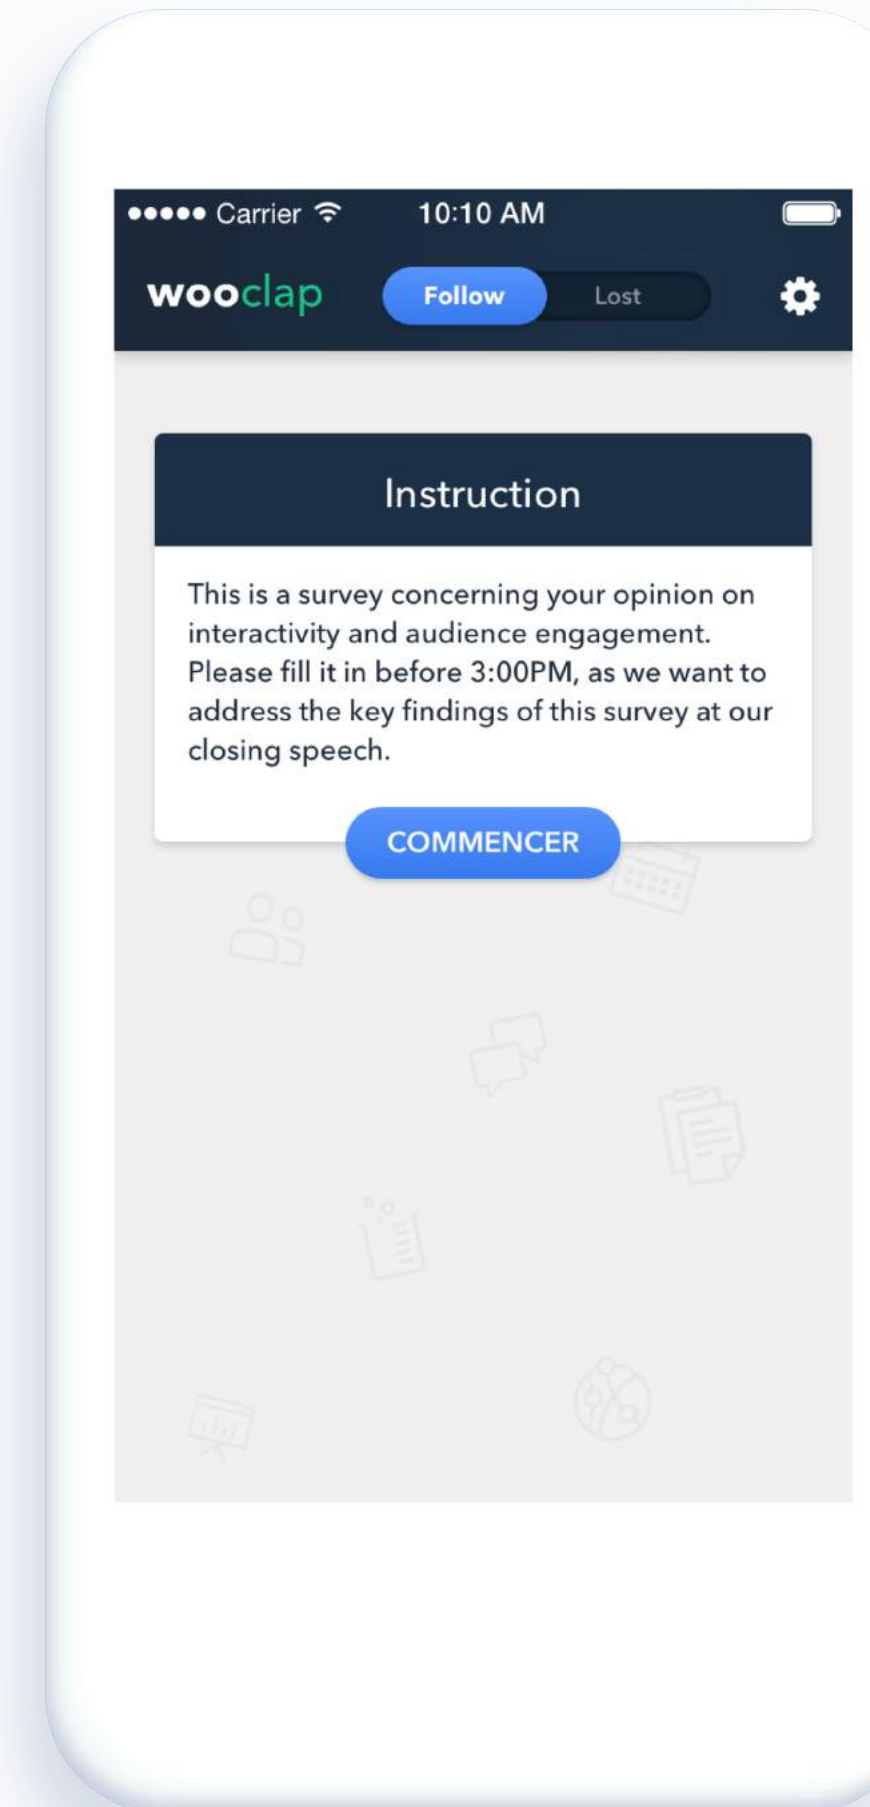

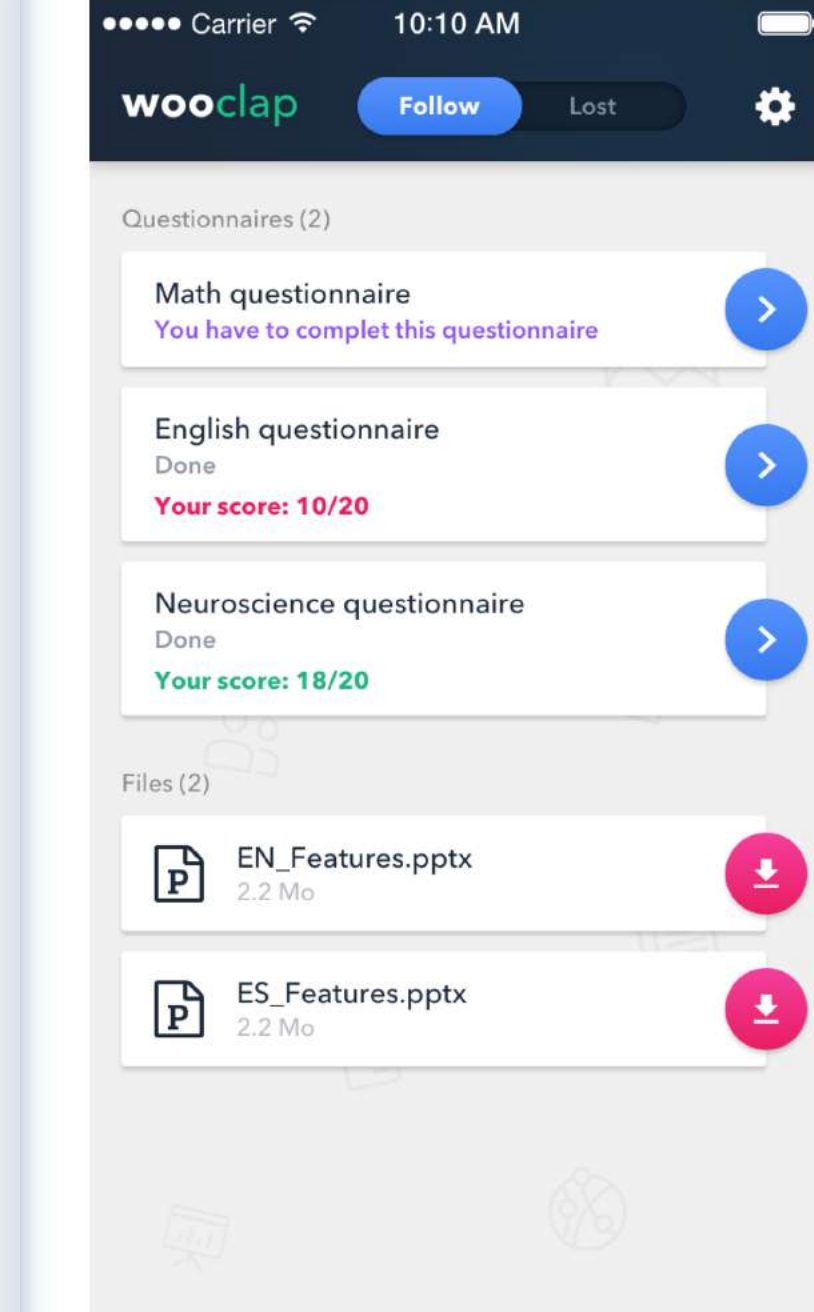

Étape 2

Activez le questionnaire avant, pendant ou après votre cours. Ces questionnaires seront disponibles tant que vous les laisserez en ligne.

The screenshot displays the Wooclap interface for an event titled "My Wooclap Event". The user is logged in as "Sebastien". The interface has three main tabs: "VOTES", "WALL OF MESSAGES", and "PARTICIPANT PACE", with the last one being active. Under the "Questionnaires" section, there is a list of questionnaires. The first one, "1. Countries questionnaire", has a green "ON" toggle switch, a "GRID" button, and a "REPORT" button. A blue circle with the number "2" is overlaid on the "ON" toggle. There is also an "ADD NEW" button in green. Below this, the "Files" section shows two files: "1. Presentation_FR.pdf" and "2. Presentation_EN.pdf", each with an "OFF" toggle switch and a "ADD NEW" button in green. On the right side, there is a "Settings" panel with various options like "Authentif", "Default vi", and "I'm confu". At the bottom right, there are "Export" and "Reset" buttons.

Étape 3

Invitez vos participants à se connecter à l'URL de votre événement.

■ 1.4

Bouton 'Je suis confus'

Étape 1

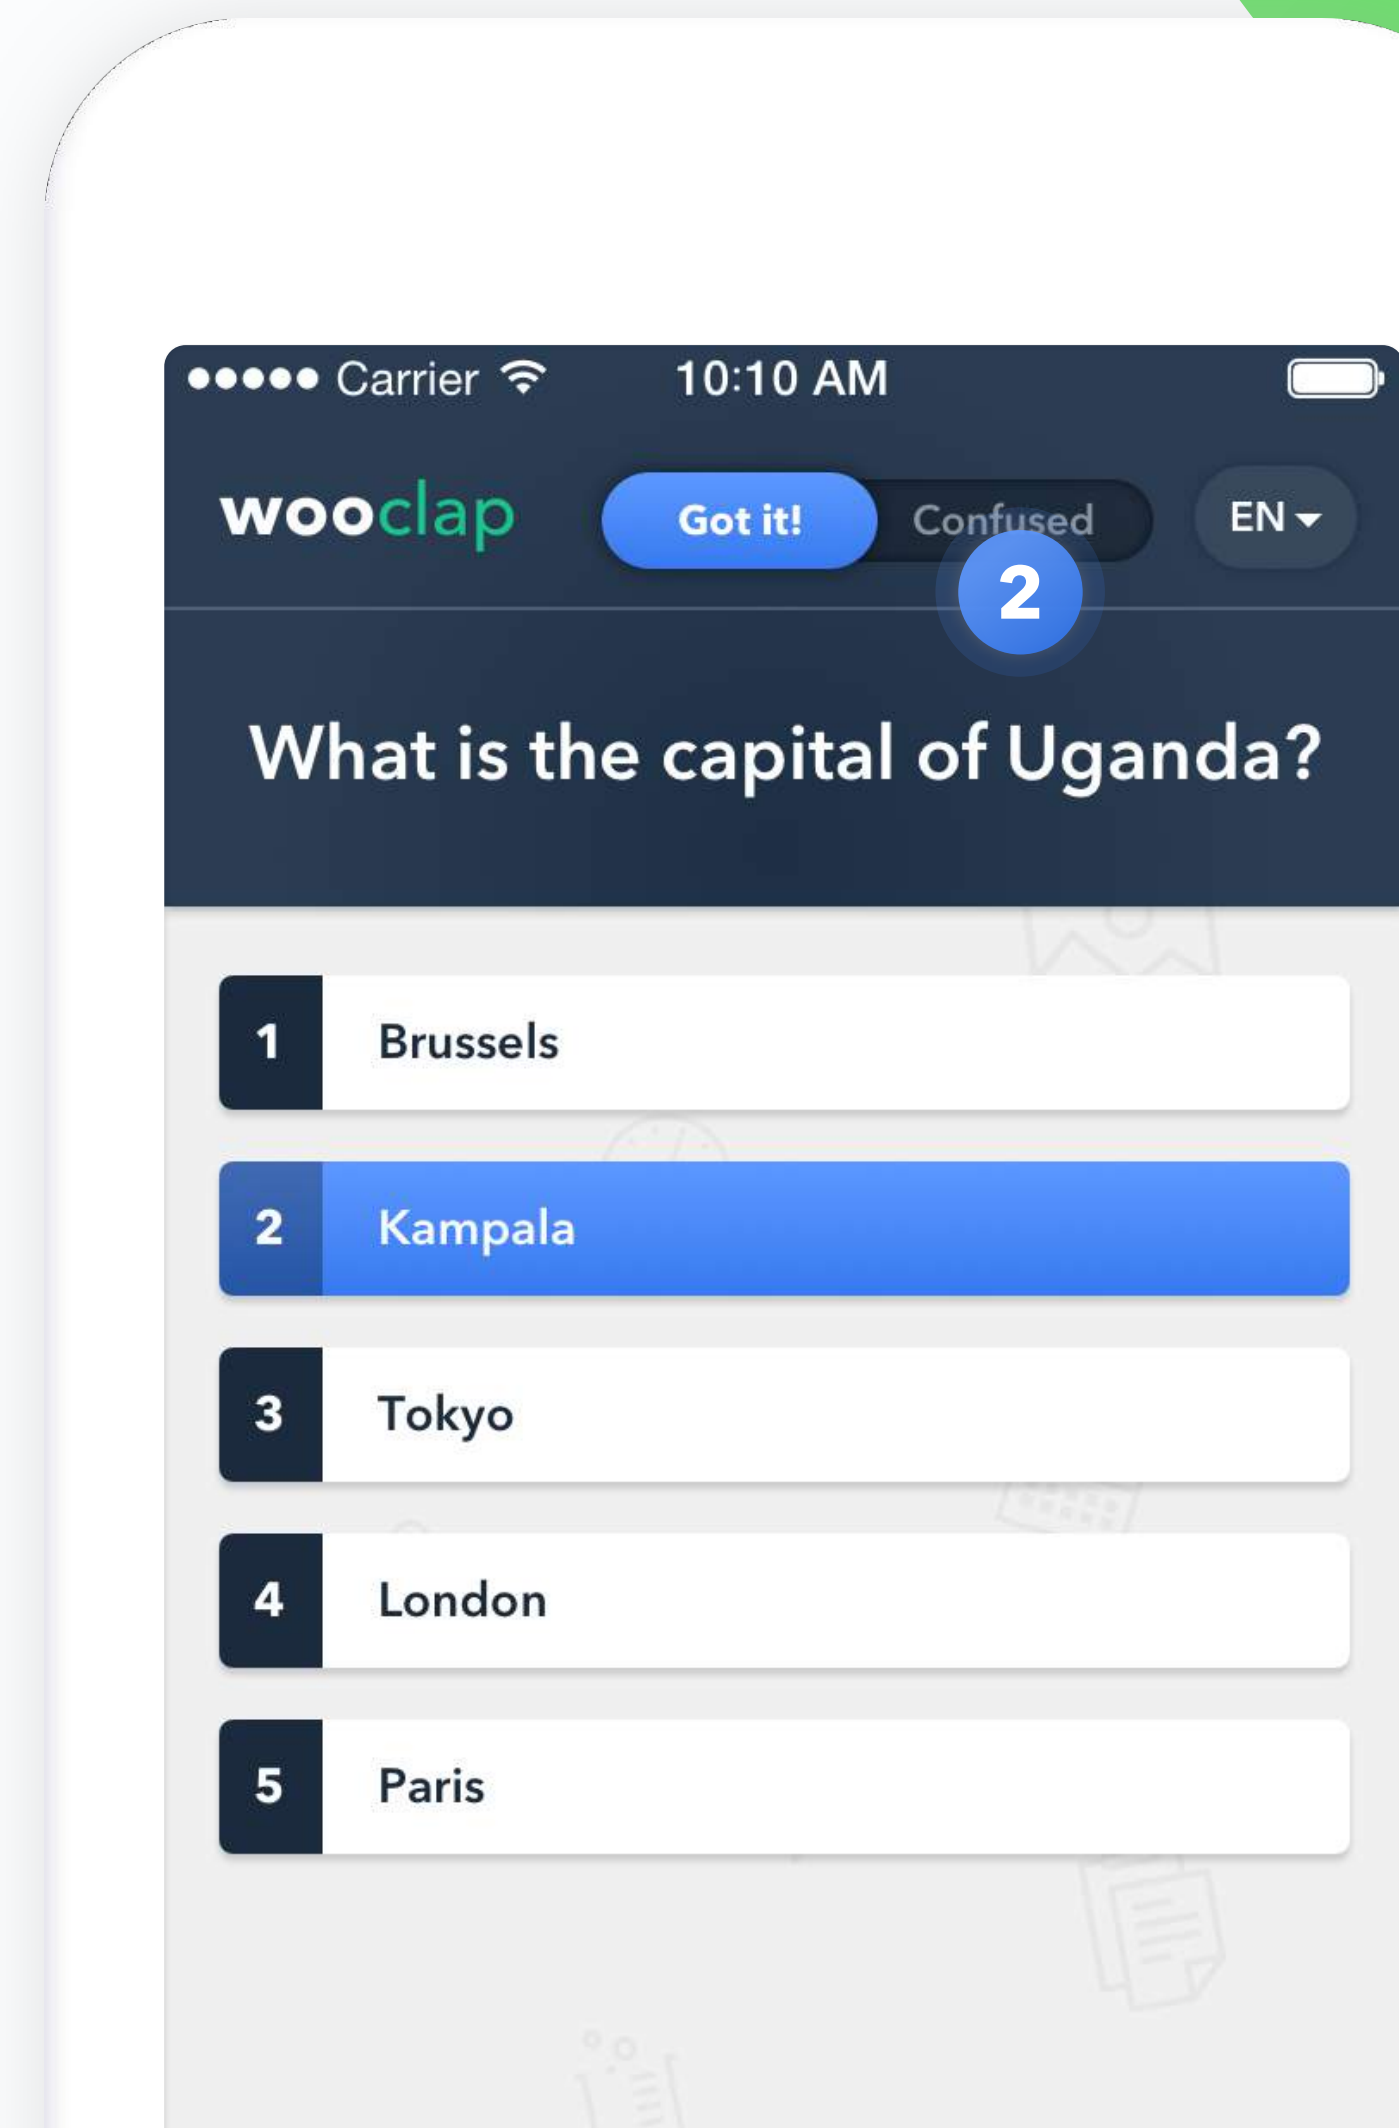

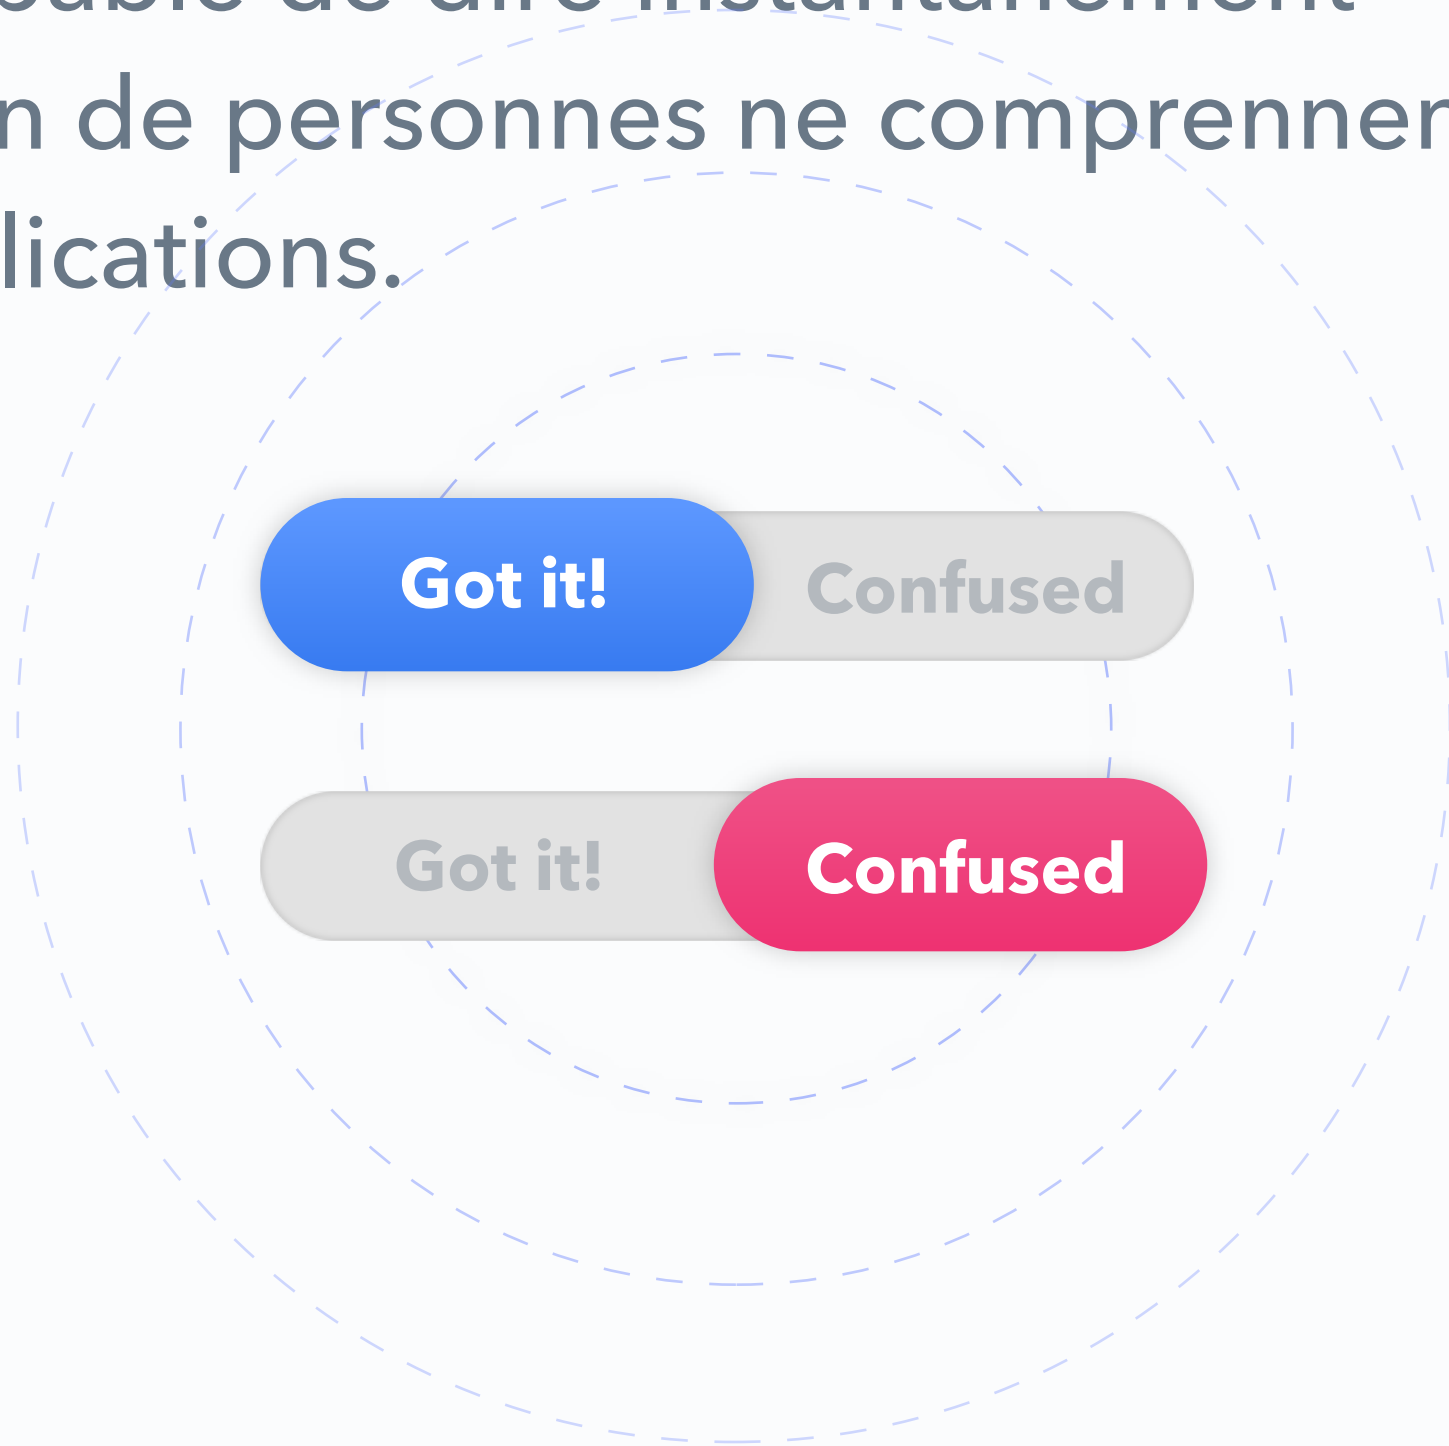

Activez le bouton "Je suis confus" pour les participants.

The screenshot shows the WooClap control panel. At the top, it displays the user's name 'Sebastien' and the language 'EN'. Below this, there are navigation tabs for 'WALL OF MESSAGES' and 'PARTICIPANT PACE'. A central area contains an 'IMPORT QUESTIONS' button. On the left, there are several interactive buttons: 'Guess a number', 'Sorting', 'Find on image', 'Open question', and 'Video'. A 'START' button is located at the bottom right. On the right side, there is a 'Settings' section with toggle switches for 'Authentication', 'Default visible results', and '"I'm confused" button'. The '"I'm confused" button' toggle is currently turned 'ON' and is highlighted with a blue circle containing the number '1'. Below the settings is a 'More options' gear icon.

The screenshot shows the participant interface for a poll. At the top, it indicates 'Confused' status with a count of '30'. The question is 'What is the capital of Uganda?'. Below the question, there is a list of five options with corresponding progress bars and percentages: 1. Brussels, 2. Kampala (50%), 3. Tokyo (25%), 4. London (25%), and 5. Paris. The 'Kampala' option is highlighted in blue. At the bottom, there is a 'WooClap' logo, a 'Votes 1 / 50' indicator, and buttons for 'Messages', '100%' zoom, and 'Exit'.

Étape 2

À tout moment pendant votre présentation, les participants peuvent basculer ce bouton pour changer leur état de « J'ai compris » à « je suis confus » et vice versa, vous serez ainsi capable de dire instantanément combien de personnes ne comprennent plus vos explications.

■ 1.5

Exportez vos résultats sous format Excel ou PDF.

Vous pouvez exporter vos questions et leurs résultats vers Excel / PDF sous la forme d'une grille ou d'un rapport.

The image displays three overlapping screenshots of a survey tool interface. The top-left screenshot shows a question titled "What is the capital of Ouganda?" with three options: Kampala (60%, 3 votes), Brussels (20%, 1 vote), and Nairobi (20%, 1 vote). The top-right screenshot shows a grid titled "My new event" with columns Q1 through Q6 and a row for "TOTAL" showing percentages: 10.00%, /, 0.00%, 0.00%, /, 10.00%. The bottom screenshot shows a question titled "How involved are you with sustainability?" with two options: "I recycle even if it takes more time." (0%, 0 votes) and "I always try to take the public transportation, or share my car on car-sharing websites when I use it." (0%, 0 votes). Each screenshot includes a "BACK" button and an "EXPORT TO EXCEL" button.

Comment intégrer vos questions dans votre présentation ?

Étape 1

Téléchargez votre présentation sur Wooclap. Nous supportons les présentations PowerPoint, Keynote, PDF et Google Slides.

The screenshot shows the Wooclap interface. At the top, there's a user profile for 'Sebastien' and a language selector 'EN'. Below that, there's a search bar with 'www.wooclap.com/ HELLO'. The main area is divided into 'WALL OF MESSAGES' and 'PARTICIPANT PAGE'. In the 'PARTICIPANT PAGE', there's a prominent green '+ 1' button labeled 'Add a presentation (PDF, PowerPoint or Google Slides)'. Below this, there's a 'Settings' panel with options for 'Authentication', 'Default visible results', and 'I'm confused' button, all currently turned 'OFF'. There's also a 'More options' gear icon. At the bottom, there are 'Export results' and 'Reset' buttons.

This is a close-up of the 'Add a presentation' dialog box. It has a title bar with a close button 'X'. Inside, there are two main options: 'Google Slides' with a document icon and a question mark, and 'Import file (PDF, PowerPoint or Keynote)' with a red document icon and a green '+'. Below the 'Google Slides' option, there's a text input field containing 'https://docs.google.com/prese' and a green 'ADD' button.

Étape 2

Insérez des questions dans votre présentation en cliquant sur le bouton «+» entre les diapositives (à gauche) et en sélectionnant les questions dans la liste (à droite).

Diapositives

Liste des interactions

The screenshot shows the WooClap interface. On the left, under the heading "Diapositives", there is a grid of presentation slides for "EN_Features.pptx". The slides are numbered 1 through 4. Slide 4 has a green plus sign to its right. On the right, under the heading "Liste des interactions", there is a list of three questions. The second question, "How many people will attend this year's TechCrunch Disrupt SF?", has a green plus sign to its left and a blue hand cursor icon over it, indicating it is being selected.

Numéro de la diapositive	Question
1	Who's your favourite entrepreneur?
2	How many people will attend this year's TechCrunch Disrupt SF?
3	Where is Belgium located ?

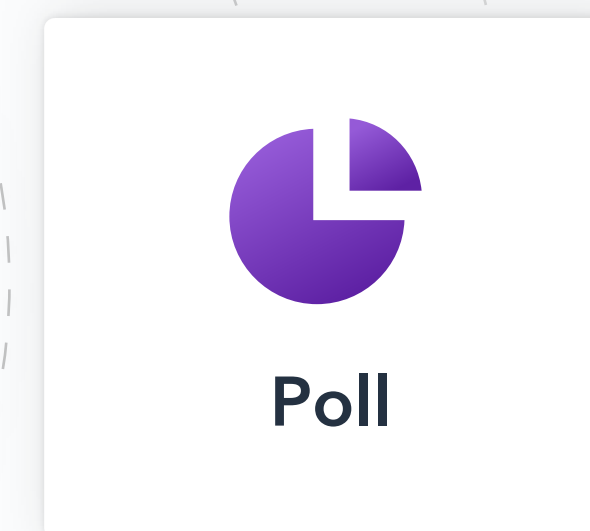

Partie 2:

Types de questions

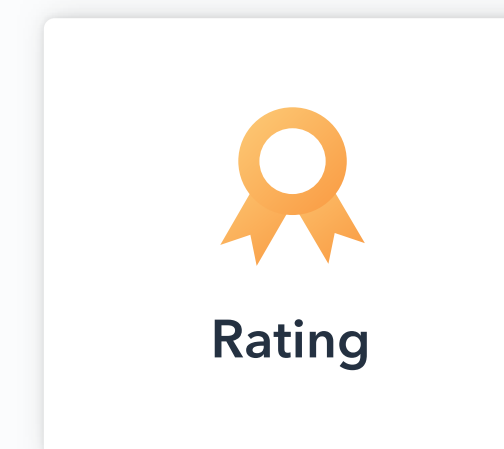

MCQ

The MCQ icon features a green circle with a white plus sign at the top, a green document icon with a folded corner in the center, and a blue circle with a white hand cursor icon at the bottom right.

Poll

The Poll icon consists of a purple pie chart with a single slice highlighted in a darker shade.

Rating

The Rating icon shows an orange ribbon award symbol.

Matching

The Matching icon displays a diagram with three items on the left (1, 2, 3) and three items on the right (3, 2, 1), connected by red arrows indicating a matching process.

■ 2.1

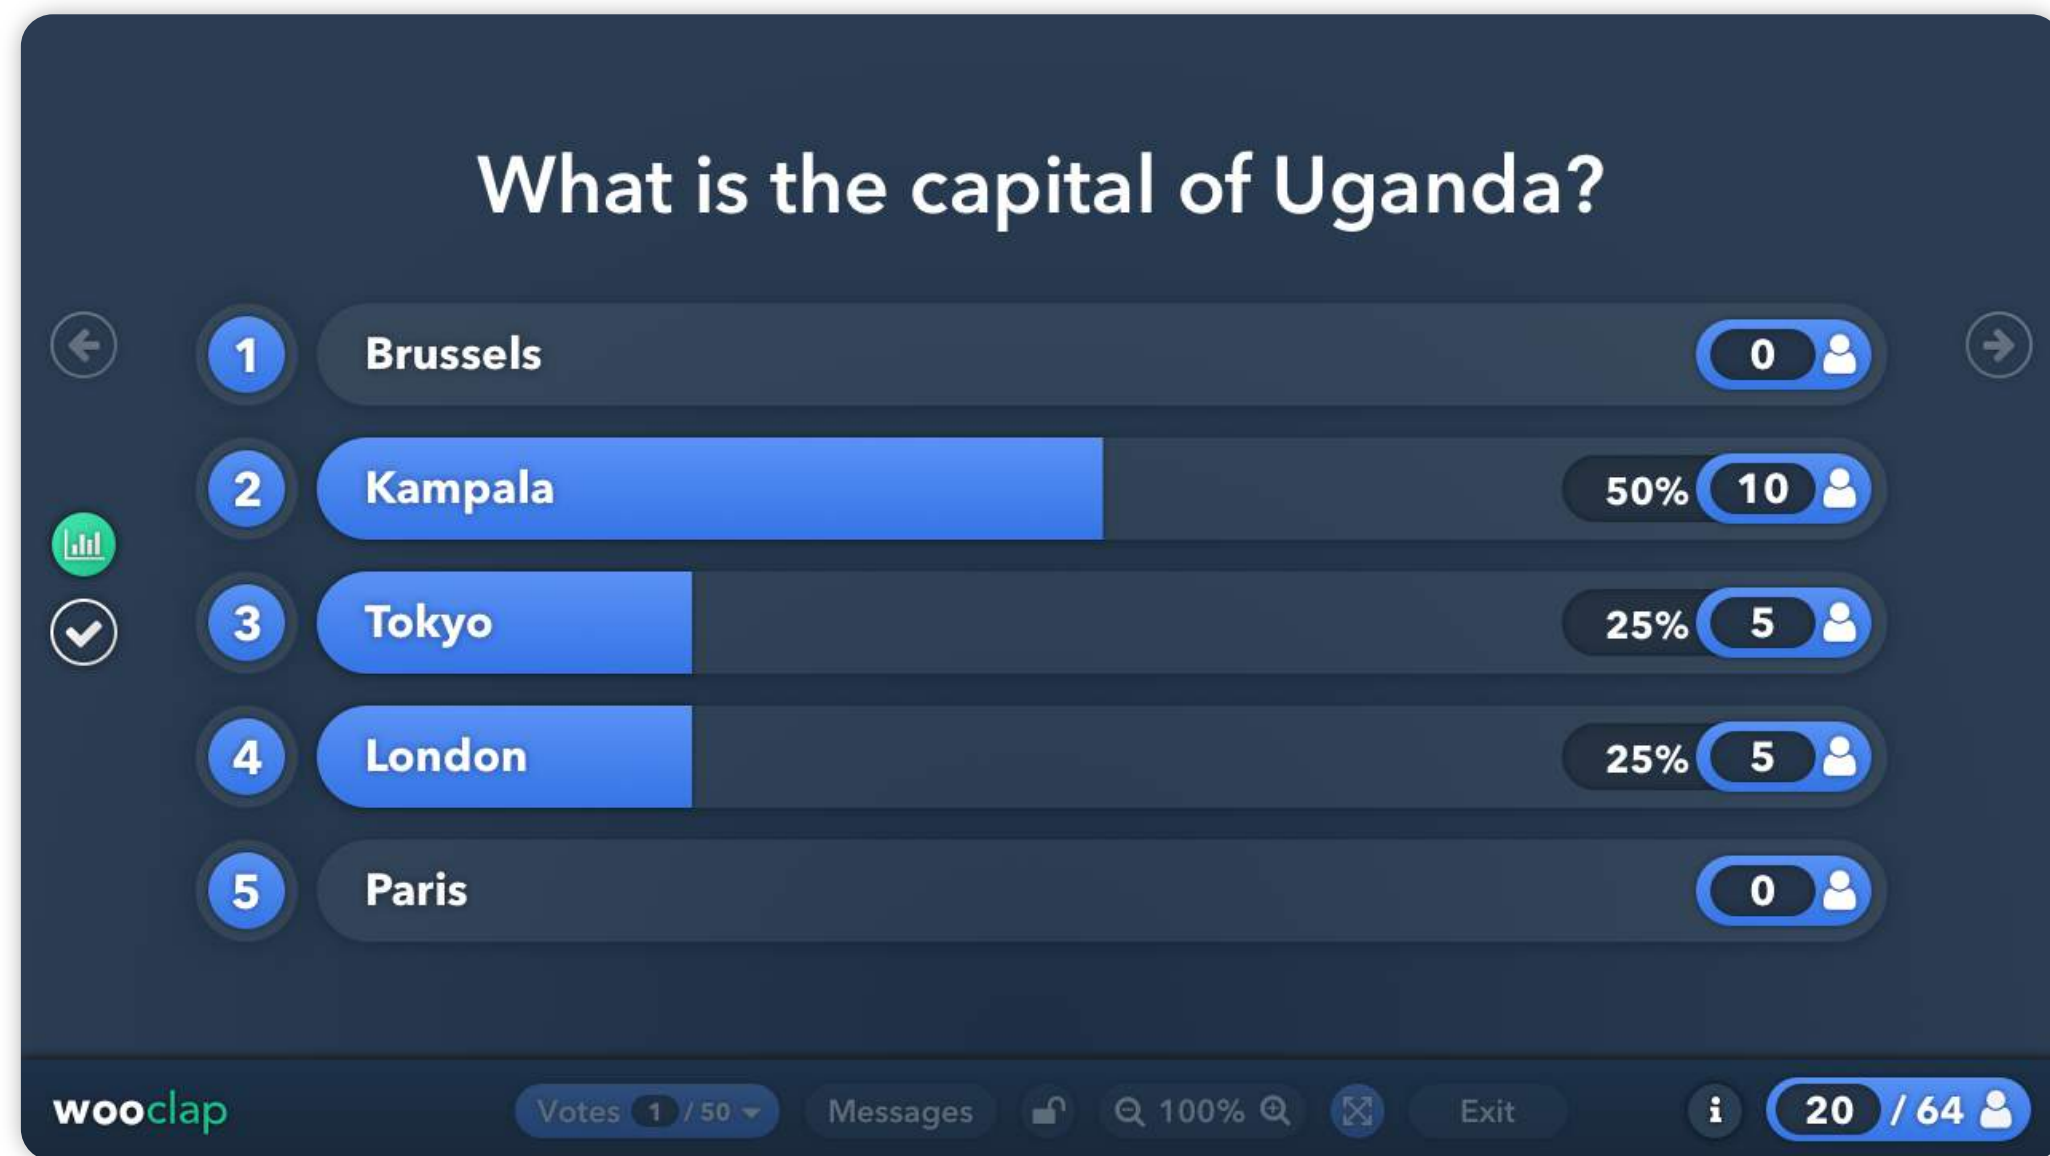

Question à choix multiples

The screenshot displays a mobile application interface for a quiz. The question is "What is the capital of Uganda?". The options are Brussels, Kampala, Tokyo, London, and Paris. The current results show 10 votes for Kampala (50%), 5 votes for Tokyo (25%), and 5 votes for London (25%).

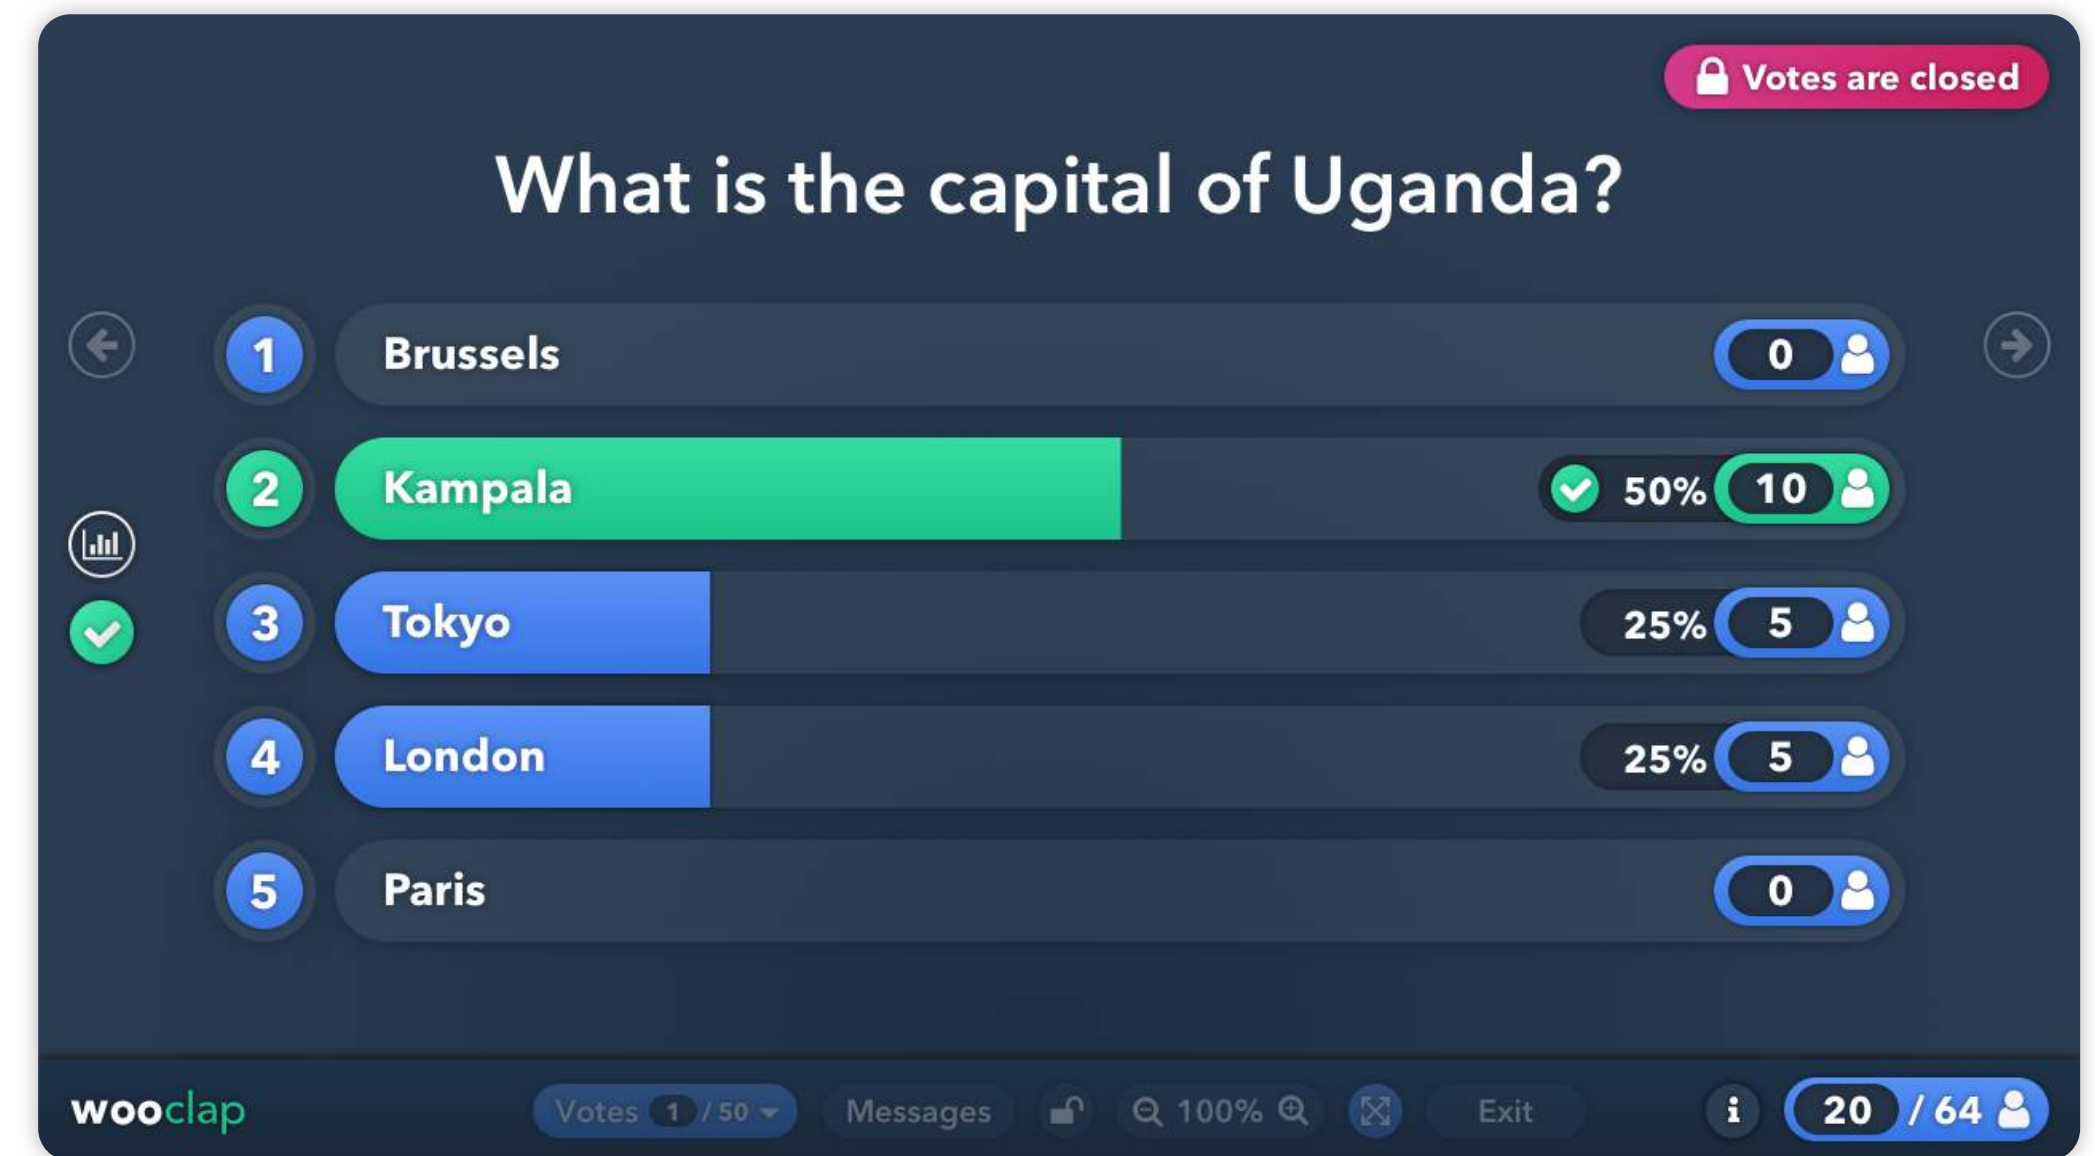

Option	Percentage	Votes
1 Brussels	0%	0
2 Kampala	50%	10
3 Tokyo	25%	5
4 London	25%	5
5 Paris	0%	0
